

HISTORY

WHAT IS HISTORY?

The Bachelor of Arts in History degree not only offers you a broad survey of US history, world civilizations, European history, and historical research methodologies, but also allows you to delve deeply into specialized areas of study, such as American West, Latin American, Contemporary American, History of Science or European history.

Do you want to share your passion for history with future generations? The award-winning B.A. History and Teacher Education degree combines in-depth history courses with the education courses you need to inspire the next generation in the classroom.
