- Locate the corresponding ELC Chart in the ELC Handbook for guidelines pertaining to the internship.
- Carefully read each objective <u>and provide the corresponding evidence</u> as identified in the Evidence column. Take note that the Assessment column will be used to evaluate the evidence.
- Carefully check the ELC Chart in the ELC Handbook to verify that all items are accurately completed and included.

7. Introductory Statement – The Statement is an essay of three to five (double-spaced) paragraphs clearly communicating the candidate's reason(s) for the ELC request, level of learning applicable to the desired internship, and relevance of the ELC to the candidate's program of study. The Introductory Statement will be one piece of evidence used to assess the candidate's ability to effectively communicate.

8. The candidate will create a Table of Contents and clearly label each piece of evidence to correspond with each objective. Labeling means that every item included as evidence is identified with an objective number on its corresponding tab. It is important that the evidence is submitted in the exact order that it appears in the Evidence column.

9. The candidate will submit <u>two paper versions and an electronic copy</u> of the ELC Application. The ELC Application must be submitted one semester prior to the beginning of the internship course. The deadlines are **September 15th and February 15th**.

10. The information included in the ELC Application is true and correct. By signing below, the candidate understands that failure to provide accurate information is considered grounds for dismissal from the Fort Hays State University Teacher Education Program.
