## WHAT CAN I DO WITH A MAJOR IN...?

### WHAT IS HEALTH & HUMAN PERFORMANCE?

Do you want to change the world? The fields of health and fitness impact everyone, young and old, and if you want to make a real impact on the world around you, the Department of Health and Human Performance has a program to meet your needs.

We offer three undergraduate degrees (and the HHP major is further split into four specialized areas of study), three master's programs, and six certificate programs. We offer a variety of courses and programs online and on-campus; please explore the programs below for more information.
