

# TIGER FITNESS CENTER

## PATRON DRESS CODE

To create a welcoming and inclusive environment for all members, as well as reduce the risk of bacterial disease transmission and prolong the life of exercise equipment, the Tiger Fitness Center dress code is strictly enforced.

Proper workout clothing and shoes are required in the Tiger Fitness Center. Germs can be easily transmitted from person to person while working out. Cleaning equipment after use, good personal hygiene, and wearing proper workout clothing that covers the body is essential to preventing the spread of germs and diseases.

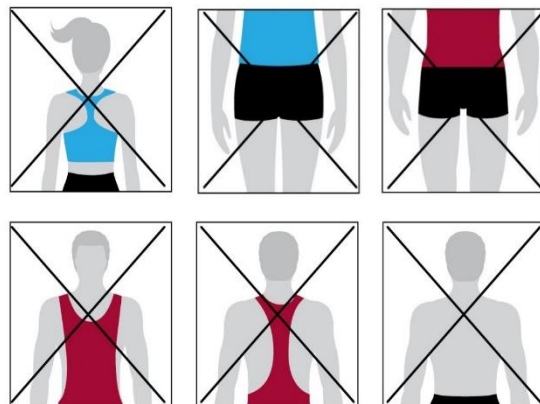

### What To Wear

- Appropriate footwear, closed toe, closed heel, non-marking athletic wear shoes
- Shirts that cover the entire stomach, chest, ribcage, and back
- Pants or shorts that cover buttocks and groin area

### What Not To Wear

- No open-toed shoes, sandals, open-heeled shoes, boots or bare feet
- Spandex/biker shorts that are not at least mid-thigh in length
- No large openings in sleeveless shirts
- Jeans, cargo shorts, pants with belts, zippers, or metal rivets and buttons
- Clothing with profanity or offensive language may not worn
