

# How to get the most out of the Majors and Graduate Programs Fair

## BEFORE

Read information about different majors that interest you on the Fort Hays State University website (<http://www.fhsu.edu/academic/>).

Prepare the questions you would like to ask at the fair (see below for examples).

## DURING THE FAIR

Take advantage of the opportunity to learn more about majors and careers.

Ask relevant questions that may help you decide:

- What classes are required for this major, minor or certificate?

- What are the classes like?

- What are the requirements to get into this program?

- Are there any student organizations or pre-professional associations connected to this major?

- What jobs do FHSU graduates obtain with this degree?

- Will a bachelor's degree in this major prepare me for a job in this field, or will I need to pursue a graduate degree?

Sign-up for door prizes!

## AFTER

Continue to learn more about the majors, minors, and certificates by making an appointment to talk to an academic advisor.

Contact the Academic Advising and Career Exploration Center , 311 Picken Hall, to learn more about how your interests, abilities, and values connect to your decision about a major or career.

Contact Career Services, 214 Sheridan Hall, to learn more about how part-time jobs, internships, and experiential learning opportunities can help you solidify your long term career goals as well as resume , cover letter and interview tips.
