## **DURINGTHE FAIR**

## How to get the most out of the Majors and Graduate Programs Fair

Complete the MyMajors.com assessment in TigerTracks and choose 2-3 majors to learn more about at the fair.

Read information about different majors that interest you on the Fort Hays State University website (http://www.fhsu.edu/academic/).

Prepare the questions you would like to ask at the fair (see below for examples).

Check out the careers that match your areas of interests on the What Can I Do With a Major In... webpage (http://www.fhsu.edu/aace/what-can-i-do-with-a-major-in/)

Take advantage of the opportunity to learn more about majors and careers.

Ask relevant questions that may help you decide:

What classes are required for this major, minor or certificate?

What are the classes like?

What are the requirements to get into this program?

Are there any student organizations or pre-professional associations

connected to this major?

What jobs do FHSU graduates obtain with this degree?

Will a bachelor's degree in this major prepare me for a job in this field, or

will I need to pursue a graduate degree?

Are their research opportunities you can get involved with?

Sign-up for door prizes!

Continue to learn more about the majors, minors, and certificates by making an appointment to talk to an academic advisor.

Contact the Academic Advising and Career Exploration Center, 311 Picken Hall, to learn more about how your interests, abilities, and values connect to your decision about a major or career.

Contact Career Services, 214 Sheridan Hall, to learn more about how part-time jobs, internships, and experiential learning opportunities can help you solidify your long term career goals as well as resume, cover letter and interview tips.
