THIRD ANNUAL MAJORS AND GRADUATE PROGRAMS FAIR

The fair is designed to educate interested students about the majors, minors, certificates, research opportunities and graduate programs available at FHSU. Participants are encouraged to speak with FHSU faculty, staff and students from the represented academic departments regarding their academic programs.

This year's event is being publicized throughout the FHSU campus and community to generate interest from current students, prospective students and community members. Social media is a big part of this year's marketing and we would encourage you to check us out on Facebook at: www.facebook.com/fhsu.aace.
