Emblem, Colors, Flower, Jewelry, Crest, and Banner

Section 1. **Emblem.** The emblem of THE HONOR SOCIETY OF DELTA TAU ALPHA is that which was selected by the delegates attending the First National Convention in March 1960, as shown on this cover. The corn and wheat of the emblem represent the products of applied education, experimentation, and hard work. The “delta,” formed by the corn and wheat, signifies change. Agricultural professionals continually change and adapt to more efficiently utilize resources in the production and marketing of food and fiber for a growing population. The scroll, on which the corn, wheat, and letters of Delta Tau Alpha are placed, represents the founding ideals of THE HONOR SOCIETY OF DELTA TAU ALPHA: scholarship, character, responsibility, leadership, and lifelong commitment to agriculture.

Section 2. **Colors.** The colors of THE HONOR SOCIETY OF DELTA TAU ALPHA shall be green (pantone 748C) and harvest yellow (pantone 871C). Green symbolizes the fresh, new ideas that members bring into agriculture, just as a new crop springs to life each year. Harvest yellow symbolizes reaping the benefits of technology through the application of knowledge in the same way a farmer harvests his golden crop of grain.

Section 3. **Flower.** The flower of THE HONOR SOCIETY OF DELTA TAU ALPHA shall be the chrysanthemum.

Section 4. **Jewelry.** All members of THE HONOR SOCIETY OF DELTA TAU ALPHA are allowed to wear the official jewelry designed by the delegates attending the First National Convention in March 1960, or as decided by any later National Convention. It shall be the responsibility of the chapter nominating an honorary member to inscribe the word Honorary or Hon. on any jewelry worn by that honorary member.

Section 5. **Blazer Crest.** All members of THE HONOR SOCIETY OF DELTA TAU ALPHA are allowed to wear the official Crest, which shall be a reproduction in cloth of the official SOCIETY emblem.

Section 6. **National Banner.** The host chapter for the National Convention shall keep the banner all year and bring it to the next convention. Each local Chapter shall have the right to purchase a chapter banner on its own.

Section 7. Graduation Cords. All members of THE HONOR SOCIETY OF DELTA TAU ALPHA are allowed to wear the official Cord during graduation ceremonies. The Cord shall be of the official colors.

Any amendment or revision of these BY-LAWS shall become effective when approved by two-thirds of the chapters.

Section 2. No chapter may adopt By-Laws that are not consistent with the National CONSTITUTION and BY-LAWS.

HISTORY

of

THE HONOR SOCIETY OF DELTA TAU ALPHA

IDEA GERMINATED

On March 20, 21, and 22 of 1958, the National Association of College Teachers of Agriculture held their Fourth Annual Conference at Arkansas State College, Jonesboro, Arkansas. Dr. Burton W. DeVeau, Ohio University, Athens, Ohio, was president of NACTA. Quoting from the minutes of NACTA as follows:

“John D. Schatz, Southwest Missouri State College, was granted permission to speak from the floor. He stated that in his opinion there was a need for a national organization or society for agricultural majors in the non-land grant colleges and universities for promoting and honoring scholarship in these schools and he moved that such a national scholastic society be organized. It was seconded by Dr. Knight. In the discussion that followed it was mentioned that some schools had already contacted officials of Alpha Zeta but had been informed that their students were not eligible to become members (only students at land grant colleges). Further discussion indicated a desire on the part of the delegates for such an organization for their students. The motion by Mr. Schatz was voted upon and carried. Mr. Schatz was appointed chairman of a committee to further investigate the possibilities of a scholastic society to be sponsored by the NACTA. His report and proposal is to be made at the next annual conference.”

FIRST STONES PLACED

During the following year Professor Schatz prepared a draft of a proposed National Constitution and By-Laws and presented it to a business session of the Fifth Annual Conference of NACTA at Berea College, Berea, Kentucky, held March 5, 6, and 7 of 1959.

Several colleges brought student representatives to work with Professor Schatz in order to perfect the proposed Constitution and By-Laws into a working trial document to be followed during the 1959-1960 School Year. The students chose the name DELTA TAU ALPHA that was to have the common meaning of DEDICATED TO AGRICULTURE. It was then decided to take the trial Constitution and By-Laws back to the respective campuses and organize as many chapters as possible for installation at the first National Convention to be held in Springfield, Missouri, March 17, 18, and 19, 1960.

At the Berea College Conference the following National Officers were elected to serve during the organizational year:

PRESIDENT: Harry Lanpher, Southwest Missouri State College,
Springfield, Missouri
VICE-PRESIDENT: J. Howell Loadholtz, Berry College, Mount Berry,
Georgia
REPORTER: Lyle Youngberg, Southwest Missouri State College,
Springfield, Missouri
HONORARY SCHOLASTIC
SOCIETY CHAIRMAN: Professor John D. Schatz, Southwest Missouri State
College, Springfield, Missouri

TRIAL YEAR EXPERIENCE USED TO MOVE FORWARD

The first annual National Convention of THE HONOR SOCIETY OF DELTA TAU ALPHA was held in conjunction with the NACTA Convention at Southwest Missouri State College in Springfield, Missouri, March 17, 18, and 19, 1960. There were seven chapters chartered at this convention. An installation ceremony was held before the joint delegate bodies of the NATIONAL ASSOCIATION OF COLLEGE TEACHERS OF AGRICULTURE and THE HONOR SOCIETY OF DELTA TAU ALPHA, March 19, 1960. The colleges having student groups who had applications for chapter charters approved and charters granted in that ceremony are listed in alphabetical order:

1. Arkansas State College, State College, Arkansas.
2. Austin Peay. State College, Clarksville, Tennessee.
3. Ohio University, Athens, Ohio.
4. Southwest Missouri State College, Springfield, Missouri.
5. Southwest Texas State College, San Marcos, Texas.
6. Tennessee Polytechnic Institute, Cookeville, Tennessee.
7. Wilmington College, Wilmington, Ohio.

At this first National Convention the National Constitution and By-Laws were revised by correcting the problems experienced during the trial and organizational year. As revised, the CONSTITUTION and BY-LAWS were approved for printing into booklet form. The foundation was thus completed for THE HONOR SOCIETY OF DELTA TAU ALPHA.

OPERATIONAL FEATURES FORMULATED

Emblem

At the first National Convention of THE HONOR SOCIETY OF DELTA TAU ALPHA, eight different ideas were submitted as proposed emblems. The National President appointed a

committee to select three of these emblems for delegate body vote. The delegates chose the emblem shown below:

The objects shown upon this emblem originally had no specific meaning only in that the corn and wheat forming the "delta" pertain to major agricultural products of extensive cultural area. The "D," "T," "A," not only signifies DELTA TAU ALPHA but also has the meaning of "DEDICATED TO AGRICULTURE." It was determined at the 1990 National Convention that the emblem objects should have the meaning as described in the By-Laws, Article XIV, Section 1.

The emblem has been manufactured into official jewelry for THE HONOR SOCIETY OF DELTA TAU ALPHA. A lapel pin, tie tack, or a key pin may be ordered from the National Executive Treasurer. The official order form (Form 70) should be used for requesting jewelry

All members of THE HONOR SOCIETY OF DELTA TAU ALPHA are permitted to wear the official jewelry There is a requirement that an Honorary member must have the word "Honorary" inscribed on DTA jewelry.

CERTIFICATES OF MEMBERSHIP

A committee appointed by the National President at the first National Convention presented two certificates for individual membership and one certificate for National Chapter Charter to be considered by the delegate body. One of the individual membership certificates was selected and approved by the delegate body and the National Chapter Charter certificate was approved. At the second National Convention it was decided to also use the individual membership certificates for Members-at-Large.

All members initiated at the First Annual National Convention and all chapters chartered at this convention were designated as charter members and charter chapters. These members and chapters received certificates with the word CHARTER superimposed across the front.

NATIONAL COUNCIL

The proposed National Constitution and By-Laws followed during the year of 1959-1960 provided for a National Council consisting of a National President, National Vice-President, National Secretary, National Treasurer, and National Reporter. There was no provision for a National Executive Treasurer or a National Faculty Advisor. Professor John D. Schatz of Southwest Missouri State College, Springfield, Missouri, was serving as Honorary Scholastic

Society Chairman appointed by the National Association of College Teachers of Agriculture. This position held by Professor Schatz was not that of a National Faculty Advisor as it is now known. At the 1960 National Convention the offices of National Treasurer & National Reporter were eliminated and the positions of National Executive Treasurer and National Faculty Advisor were created. The delegates felt the national organization needed faculty members included in the National Council due to the great amount of responsibility presented by these two offices and that the organization would benefit from their advice and experience.

The National Council now consists of the National President, Regional Vice-Presidents, National Secretary, National Parliamentarian, National Executive Treasurer, and the National Faculty Advisor. Their duties, responsibilities and powers are outlined in Article IX and Article X of the National BY-LAWS.

CORBUS AWARD

In March of 1960, Mrs. H.D. Corbus, widow of the late H.D. Corbus of Western Michigan University, made available a sum of money to be used in establishing a memorial to Professor Corbus.

The Executive Committee of NACTA accepted the gift and secured a plaque to be awarded each year to the outstanding Delta Tau Alpha chapter.

FOUNDER'S AWARD

At the 25th Anniversary Convention held at Southwest Missouri State University in March of 1984, the host chapter award was renamed the Founder's Award in honor of Delta Tau Alpha's Founder, Professor John D. Schatz. This award consists of a traveling plaque bearing a picture of Professor Schatz that is presented annually to the host chapter of that year's national convention. The host chapter also holds the National Delta Tau Alpha Banner for the year following the convention.
