I. Announcements

- Meeting called to order at 3:00 p.m. by Chris Crawford.
- Agenda and department affinity diagrams were distributed.

II. Business

- The affinity diagrams distributed to the committee are the departments' most recent diagrams submitted. Reviewing the diagrams is a precursor to looking at the NSSE results. The committee reviewed the diagrams, noting commonalities between all of them insofar as the expected characteristics of students (column 1).

The commonalities found were:

Knowledgeable
Critical thinking/analytical
Creative/technically innovative
Diversity/global
Professional/collegial
Articulate/communicative

At the next meeting these characteristics will be used in reviewing NSSE data.

IV. Adjourn

- Meeting adjourned at 3:30 p.m. Chris asked the committee to bring their 2002 and 2003 NSSE data previously distributed to them.

VI. Next Meeting

- Wednesday, December 8th, at 3:00 p.m. in the Trails Room in the Memorial Union.
