IFAS PR Instructions

A Travel Receipt form on Lotus Notes Workflow must be created in order to have an estimated cost of the trip. If more than one department is paying for a trip, only one Travel Receipt form should be created. Only create an IFAS purchase requisition (PR) if the Total Reimbursed Amount is greater than zero. Instead of a PR complete a Leave and/or Travel Request form on Lotus Notes Workflow for approval of the trip, and leave 0's in the PR/PO numbers section of the Travel Receipt form.

Create an IFAS purchase requisition (PR) in the name of the traveler using the Total Reimbursed Amount from the Travel Receipt form if it is greater than zero. The PR must be submitted through the approval cycle before paying for any expenses such as airfare or registrations fees.

The screenshot displays an IFAS purchase requisition form. At the top, there are fields for PR: H99999, PO: [blank], PR: L19999, PO: [blank], Sec Cd: ADF, Aprv: [blank], and Next: [blank]. Below this are tabs for Vendor, RemitTo, ShipTo, Bi, Details, Blanket/Dates, Req. Codes, and Misc. The Vendor section shows HERRMAN, KATHY at FHSU ADMINISTRATION & 600 PARK ST, HAYS, KS 67601. The ShipTo section shows NOSHIP with SHIPPING NOT APPLICABLE. The Req. Codes section has several dropdown menus, with the last one set to TV. Below the tabs is an Items table with columns for Item No., Quantit, Units, Description, Amount, ACCOUNT NUMBER, Extended, and Tax. The table contains two rows: 0001 with 1 LOT, SAN FRANCISCO, CA 11/02/04, 405.50, 6230112035-000000, 405.50; and 0002 with 0, [blank], 0.00, -, 0.00. Below the table is a Notes section with the text: ATTEND THE REGENTS PURCHASING ADVISORY GROUP (RPAG) CONFERENCE 11/02/06-11/03/06. CHARGE \$200 TO ACCOUNT 6341012035. At the bottom, there are buttons for PR Notes, Print Before, and Print After.

THIS FORM MUST BE ROUTED THROUGH THE FOLLOWING:

- TRAVELER
- TRAVELER WHOSE EXPENSES YOU PAID OR THEY PAID FOR YOU
- TRAVELER'S SUPERVISOR IF TRAVELER IS THE BUDGET AUTHORITY
- ALL APPROPRIATE BUDGET AUTHORITIES

If an IFAS PO was submitted, put PO# on all receipts and documentation. If no PO was submitted because there is not reimbursement due to the traveler, write the traveler's name and trip destination on all receipts and documentation.

Instructions after trip is complete

Correct the Travel Receipt form with actual dates, times and amounts. Submit through the traveler, supervisor (if appropriate) and budget authorities. If the traveler is the budget authority, the form must be approved by their supervisor. If the traveler paid for another traveler's expense, the travelers must approve each others Travel Receipt forms. If the traveler paid for student expenses such as lodging and registration, the traveler and students must sign a Certification of Expense form. More than one item can be on the Certification of Expense form.

Student meals cannot be reimbursed directly to an employee. Each student must claim their per diem or the Imprest Fund should be used.

When reimbursing an employee for border city travel, the rates will be paid at in-state rates. If the lodging needs to be paid at out-of-state rates, a statement must be typed on the Travel Receipt form stating "border city approved at out-of-state rates". The department will determine if the border city is paid at out-of-state rates. A complete list of approved "border cities" and reimbursement rates is provided in Appendix A of the Employee Travel Expense Reimbursement Handbook <http://www.admin.ks.gov/resources/employee-travel-expense-reimbursement-handbook---fy-2015>

SGA Allocated accounts only require the faculty sponsor to approve. SGA Appropriations are approved by Keegan Nichols. For SGA, only 1 travel receipt should be completed for travel paid by SGA funds and departmental funds.

A new PR must be submitted if the purpose or destination of the original PR has changed. Any other changes can be approved through the Travel Receipt form, which must always be approved by the budget authority.

If the traveler is only reimbursed a limited amount, please use the "adjust to authorized amount" to make the total reimbursed amount the correct amount to pay the traveler. This amount should match the bottom total amount on the Travel Receipt form. The travel receipts for each traveler are to be stapled together with the traveler's name and PO# written on all receipts. Once the Travel Receipt form has reached Accounts Payable in the approval cycle, send receipts to the Business Office in a Business Office PO Invoice envelope within two weeks after the travelers return. If the traveler is receiving meal per diem only, print the Travel Receipt form as the documentation and send to the Business Office in a PO Invoice envelope.

Any personal charge accidentally paid with a P-Card must be immediately reimbursed. The traveler will not be reimbursed any allowable expenses until the personal portion is reimbursed to FHSU. The personal portion will not be withheld from the travelers allowed reimbursable expenses. Accounts Payable will track the personal charge and reimbursements on the travel receipt form. The reimbursement check and deposit slip should be sent with the P-Card receipt after it is allocated on IntelliLink. The P-Card receipt should be processed as soon as the charge appears on IntelliLink.

Airfare

If the entire airfare cost or a portion of that cost will not be reimbursed, the airfare will need to be charged to the traveler's personal credit card. The portion to be reimbursed will be paid on the Travel Receipt form with the receipt.

If the traveler is taking any personal time during the out of state trip, a printed airfare quote for the direct trip must be provided, the traveler will need to use their personal credit card and will be reimbursed either the actual amount or the airfare quote, whichever is less. Airport parking will be prorated and only be reimbursed for the business portion on the trip.

The traveler must use the most economical mode of airline travel, which is generally economy or tourist class. If the traveler chooses to upgrade to a higher class, they must pay personally. An airfare quote of the economy class cost must be provided at the time of reimbursement. The lower cost of the two will be reimbursed.

Airfare that is business only can be paid by the following methods:

- The traveler may book the airfare and charge it to a P-Card. If the airfare is booked with the P-Card, reference the traveler's PO#, Bank ID, and purpose on the itinerary and send to Accounts Payable after allocating the charge on IntelliLink. Enter the airfare amount, Org Key and transaction date on the Travel Receipt form in the P-Card/PO/IFV Transaction area.

When using the P-Card to purchase airfare, travel guidelines must be followed. See policy at http://www.fhsu.edu/bus_off/P-Card_travel_training.

- The traveler may book the airfare and charge it to their personal credit card and will be reimbursed through the Travel Receipts form with the itinerary showing the airfare cost.

The traveler can book their airfare via the Internet or through a travel agency. Short's Travel Management is the state contracted travel agency and can be contacted at 1-800-748-7400. Short's Travel does not charge for price quotes.

International Travel

To convert the traveler's receipts, please use this website: <http://www.oanda.com/convert/classic>, it will convert to US dollars on the date of the receipt. Please print this form and attach to the receipt. The rate may be different if charged to the traveler's personal credit card, therefore the receipt can be attached to a photocopy of the credit card bill (be sure to mark out credit card numbers) and they will be reimbursed by the actual amount paid on the credit card.

Travelers may choose either the quarter-day rate or actual expense method of reimbursement for meals. The reimbursement method selected must be used for the entire trip. A combination of methods is not allowed. If the actual expense method is selected, receipts must be submitted to verify actual expenses incurred. China trips will be reimbursed for per diem at half of the state allowed rate and meals provided are reduced at half of provided meal rate.

Lodging

Lodging expense reimbursement is limited to the state's pre-established rates by location. The traveler may be reimbursed the lodging establishment's lowest available rate for normal single occupancy assuming it falls within the state rates.

Lodging payment should be made with the P-Card when possible to claim tax exemption.

The lodging rate is determined by the location. If the lodging rate of the motel the traveler will be staying is more than this rate, the traveler can be reimbursed for 1.5 times more than this rate by marking the "lodging claimed at a higher rate" on the Travel Receipt form. Taxes are reimbursable and are not considered when applying the maximum lodging limit to the traveler's lodging rate. If the lodging rate is more than 1.5 times the rate, the motel **must** be a conference motel and the conference flyer showing this information must be attached to the receipts and "Lodging claimed at actual conference rate" must be marked on the Travel Receipt form. If the motel is not a conference motel, the traveler will not be reimbursed more than 1.5 times the rate.

Itemized receipts for lodging are required. Receipts must show the rate, miscellaneous costs, etc. Credit card slips do not qualify as a lodging receipt. Receipt must reflect payment made and show a zero balance.

If the traveler books the lodging over the internet, they will need to print this information from the internet and this will be their receipt. Lodging establishments may not provide a receipt for internet booking(s).

If lodging receipt shows 2 or more people in room, find the single room rate plus tax and this will be amount reimbursed, if the other people were not state employees.

If the traveler paid for another state employee, he can claim the total lodging expenses as long as it falls within the rate guidelines, please remember to type this information in the comments section on the Travel Receipt form. Each traveler must approve the other traveler's Travel Receipt form.

If the employee is only being reimbursed for his portion of the room, and the other portion(s) of the room will be claimed by another employee, be sure to state the other employee's name and that he/she is sharing the room in the comments section. "John Doe shared the room with John Smith; this is cost of ½ of room". If a traveler is paying for another employee's portion of the lodging, the expense should be recorded in the Lodging section in Other Lodging.

When paying lodging with the P-Card, Kansas motels are tax exempt for the state sales taxes (you may be charged for the other lodging taxes). If paying for lodging (in Kansas) with a P-Card and the hotel charges Kansas sales tax, the department must request a refund from the hotel if over \$5.00.

The lodging may be paid with a P-Card if no personal time is taken, there are no non-state employees staying in the room, and the lodging rate is within the state guidelines. (See Quick Reference for lodging rates).

Travelers will not be reimbursed until all charges are processed and scanned into the travel receipt form.

Meals

Meals are reimbursed for employees by the meals allowed rate determined by the destination.

Provided Meals

If meals are included in the registration or provided at no cost to the traveler (meals provided by the lodging, meeting or conference etc.) the meal allowance should be reduced. If staying with relatives or friends, the traveler may claim meal allowances and does not need to deduct those meals provided. Provided continental breakfasts do not need to be reduced. Be sure to put all meal allowance codes in the meal allowance columns in order to pay the correct amount for meals.

Document meals provided in the “Provided Meals” section using the Meal allowance key to determine appropriate code.

Meal rates can be found on the Quick Reference page located at http://www.fhsu.edu/bus_off/Quick_Reference/.

If a registration fee was paid and no meals were provided, type “no meals were provided in the registration fee” on the travel receipts form.

No meals can be charged on the P-Card.

One-Day Meals Policy & Guidelines

Policy:

One meal may be reimbursed to a traveler on a one-day trip that occurs on an infrequent basis when official duties require that the employee’s work day, based on full-time employee work hours, be

extended three hours or more and the official business is over 30 miles from the employee's official station. If a meal is provided at no cost to the traveler a one-day meal reimbursement may not be claimed. For travel on non-scheduled work days, regular full time employee work hours are assumed. To qualify for a dinner, the return time must be 6:30 p.m. or later. Receipts are not required and there is no provision to reimburse an employee if the actual cost of a meal exceeds the meal allowance rate. The maximum amount for the meal reimbursed will follow the schedule included in the Quick Reference: http://www.fhsu.edu/bus_off/Quick_Reference/.

Guidelines:

The following type of employees must have a work day, including travel time, for the hours specified below:

<u>Employee Status</u>	<u>Regular Work Schedule</u>	<u>Work hours needed to qualify</u>
1. Full-time employee	8:00 – 4:30 M-F	at least 11 hours
Summer hours	7:00 – 5:30 M-Th	at least 13 hours
2. 3/4-time employee	6 hours a day	same as full-time employee
3. Part-time employee	4 hours a day	same as full-time employee
4. Student	Various	same as full-time employee

Time taken to eat the meal is not included as work hours. Record times for meal breaks. One-day meal reimbursements are at the discretion of the budgetary authority and he/she may limit the amount claimed.

For reporting purposes it does not matter if a teaching faculty member is in the office 2 or 8 hours. The faculty member is assumed to be working a full day, which equals 8 hours (10 hours during the summer), either in the classroom, in the office or at home.

The date, departure time, arrival time, destination and purpose of travel must be entered in the Travel Receipt form. The meal requested for reimbursement (e.g., lunch), amount of the meal, employee's scheduled work hours for the day (e.g., 8 a.m. – 4:30 p.m.), and time spent eating the meal (e.g., meal break(s) are times per each meal during trip must be entered in the meal section of the form.

Students

(Trip Not Associated with Job as Student Employee)

Policy:

Students attending one day University sponsored trips as students and not as student employees may be reimbursed per diem or approved amount that is less than per diem.

Student Meals

Students will be reimbursed per diem the same as an employee. All employees and students must be reimbursed personally for meals and mileage since they are based on rates not receipts. The Imprest Fund may be used for student meals.

Registration Fees

If paying another state agency, an Interfund must be initiated. If the vendor, other than a state agency, allows a credit card payment, the P-Card should be used. The registration form needs to be sent to Accounts Payable with the two-digit IFAS Bank ID, and a copy of the flyer must accompany the form. Enter the registration amount, Org key and transaction date on the travel receipt form in the P-Card/PO/IFV Transaction area.

If credit card payment is not accepted by the vendor, the registration fee may be paid directly to the vendor with a Purchase Requisition. Send the registration form and flyer with the PO# written on the form, to Accounts Payable.

Transportation

The state requires the employee to use the most economical and advantageous modes of transportation. The traveler will be reimbursed whichever is less: the Motor Pool rate, Hertz full-size car rate, or private vehicle rate per the [FHSU Vehicle Rental Comparison Form](#). If multiple state employees are traveling to the same destination and function, arrangements must be made for all employees to travel in the same vehicle. If an employee chooses to travel in a separate vehicle due to personal reasons (ex. extending trip to visit family), that employee will not be eligible for reimbursement of the additional vehicle expense.

When traveling on official state business, the traveler may take a rental vehicle, a Motor Pool vehicle, or their personal vehicle. The **minimum driver age** on all state business rentals (Motor Pool and Hertz) will be **18** years of age. Per state regulations, **only state employees**, including students on payroll, can drive both motor pool and Hertz rental vehicles on official state business. A private vehicle must be the mode of transportation if any portion of the trip will be considered personal, and the driver will be reimbursed the lowest rate per the FHSU Vehicle Rental Comparison Form. Non-state employees and students not on payroll can ride in motor pool and Hertz vehicles only if they are on official state business. Candidates are not allowed to use the Hertz contract.

Motor Pool Vehicle

To reserve a Motor Pool vehicle, complete the Lotus Notes Workflow Transportation Requisition.

- The Transportation Requisition must be approved by the budget authority, traveler's supervisor, appropriate dean for an academic unit, and VP for out-of-state travel for a non-academic unit. The physical plant will not assign a car unless this approval is complete. If the approval cycle is not correct, the Transportation Requisition will be denied by the Physical Plant and a new form will need to be submitted.
- The vehicle number will be added to the Transportation Requisition as soon as it is assigned by the Physical Plant. Departments should not call the Physical Plant to reserve a vehicle or to find out the vehicle number.
- Submitters and approvers as well as drivers, if listed, on the Transportation Requisition workflow, will be able to view the requisition to see the approval status or to see which vehicle has been assigned.

The Physical Plant will call the department if a vehicle will not be available so the traveler can make other arrangements or be put on a waiting list. If a Motor Pool vehicle or Hertz vehicle is not available, the employee can be reimbursed at maximum mileage rate. If a traveler does not want to take a Motor Pool vehicle, but wants to see if a vehicle is available for mileage rates, they can still call and check with the Physical Plant. When no Motor Pool or Hertz vehicle is available, please type "No Motor Pool or Hertz vehicle was available" on the Lotus Notes Travel Receipt Form. You are required to attach an email from the Motor Pool confirming that no vehicles are available and/or documentation from Hertz that no cars are available **MUST** be provided to Accounts Payable when processing the travel reimbursement.

If a Motor Pool vehicle is the only expense, a Transportation Requisition is the only form that needs to be submitted with the proper approvals for in-state or out-of-state trips. No IFAS PR is needed.

Rental Vehicle

Basic Information:

This vehicle rental contract is mandatory for in-state rentals but not mandatory for out-of-state rentals. The State of Kansas/Fort Hays State University has a vehicle rental contract with Hertz Corporation: <http://www.da.ks.gov/purch/Contracts/Default.aspx/0000000000000000000000000037354>. The contract will only apply to those employees who live and work where Hertz rental agencies are located.

Hertz hours are Monday through Friday, 7:00 am to 6:00 pm (Hays).

Hertz will furnish preferred vehicles (compact, intermediate/mid-size, and full-size sedans; mid-size SUV; mini-van; and pickup) when a reservation is made with a 24-hour notice. Secondary vehicles (compact SUV, large SUV, large (12) passenger van, and hybrid mid-size Sedan) may require a 7-day notice. Renting a 15-passenger van is prohibited due to liability issues.

Rental rates can be found on page 17 of the contract link above. For the rates listed without Collision Damage Waiver (CDW)/Loss Damage Waiver (LDW), coverage is provided by the P-Card; and the state employee will choose to decline the CDW/LDW coverage with Hertz. For the rates listed with CDW/LDW, coverage is provided by Hertz through the state contract. You may see concession fees of 5% on the receipt; but this amount will be credited. The Energy Recovery/Surcharge Fee of \$1.03 per rental is allowed per the contract and should be paid if charged. Airport concession fees are allowed in the contract and vary from location to location.

How to Reserve a Vehicle:

The department and/or traveler will make the reservation by contacting either the local Hertz at 1204 Vine Street in Hays or at 785-623-4116 or call toll free 888-300-8035 (Hertz reservations for state of Kansas employees). The Hertz website www.hertz.com can also be used. The traveler must be a state employee, be 18 years of age or older, present a valid driver's license, and reference the FHSU CDP (Corporate Discount Program) number in order to rent a vehicle at the contract rate. Contact FHSU Purchasing Office for the current CDP # for Fort Hays State University. Hertz may ask for the Applicant #, but since we are using the CDP #, you will not need the Applicant #.

Use a P-Card to reserve and pay for the rental.

The Hertz at Hays requests that the renter come to their location at 1204 Vine to pick up the vehicle.

If a 12-passenger van, pickup truck, or cargo van is rented CDW/LDW coverage will be provided by Hertz. If a sedan, mid-size SUV, or mini-van is rented and payment is made with the P-Card, the state employee shall choose to decline the CDW/LDW coverage.

Important Issues:

Class of Vehicle: Economy class vehicles should be reserved when they accommodate the business needs of the traveler.

Reservation Cancellations: If a trip is cancelled call Hertz immediately. Cancellations are requested 24-48 hours prior to rental pickup date listed on the reservation.

Early Departure: Hertz offers the option to pick up a vehicle at 3:30 pm with advanced notification for early morning departures. In the event that the employee departure is before Monday at 7:00 am at the Hays location, the vehicle should be available to the employee to be checked out on Friday after 3:30 pm. at no additional charge. All locations excluding Garden City will offer this service Monday-

Friday. Topeka will open its location at 6:00 am on Mondays for early Monday departures, and will also allow early Friday pickup for prior to 6:00 am Monday departures. Early Friday pickup must be between 3:30 pm and 5:30 pm.

Return A Vehicle After Hours: The drop box at Hays is located on the north side of the Hertz building. The State renter is required to record the mileage and time the vehicle was returned. Hertz will contact the State renter the next day before the rental is closed. The Hertz representative will discuss the rental charges and notify the renter if vehicle damage occurred. Please note any damage prior to leaving the vehicle.

Driver: The minimum renter age on all State business rentals will be 18 years of age. Drivers 18-21 will not be charged an additional underage driver fee on any State business rentals. The driver must be a state employee.

Fuel Charges: Please remember to fill the rental car with fuel before returning. When the vehicle is returned without a full tank of gas, Hertz will charge the State rental for filling the gas tank. Hertz may charge current market value plus an additional \$1.00 service fee per gallon. The University P-card may be used to purchase fuel for rental vehicles.

One-Way Restrictions and Charges: Rentals dropped off at a location other than the original renting city, where inter-city drop-off does not apply, will be charged a fee.

- A mileage fee of \$0.25 per mile will be charged on one-way business rentals.
- For one-way rentals over 250 miles, a one-way surcharge of \$125 is charged.
- These charges will not apply to one-way rentals to Kansas City International (MCI) Airport from Topeka or Lawrence.

No Show Fees: Each instance that a rental is not cancelled with a 2-hour notice will accrue a \$15.00 fee. Please call – do not email cancellations.

Delivery and Pickup of Renters: For locations other than Hays Hertz will provide pick up of state employees within a 15 mile radius at no additional charge. For pick up exceeding 15 mile radius there is a per mile fee of \$0.35. If the delivery exceeds a 15 mile radius, there will be a \$0.35 per mile charge for both ways.

Out of State Rentals: Rental vehicles requisitioned at out of state locations must have a justification on the Lotus Notes Travel Receipt Form. For instance, an employee who travels to Miami, Florida upon arrival rents a vehicle for transportation instead of using a taxi or bus. The Hertz contract is not mandatory for out of state rentals.

Emergency Road Assistance (ERS): Hertz renters have access to a 24/7 Emergency Roadside Assistance Service. Hertz covers the cost of ERS for all mechanical failures (except, perhaps, situations involving certain violations of the terms of the contract). Customers are charged the costs related to the following problems that arise from customer neglect or accidents, with certain exceptions: Keys locked in the car, Keys Lost – Cost of replacing the key (unless Customer purchases or corporate contract provides “included” or “free” LDW), Keys Lost – Cost of delivering the key or towing the vehicle, Dead battery resulting from leaving the lights or some other accessory on, Out of Gas, Spare Tire Mounting for flat tires. This service will include a toll-free number for all renters to call for vehicle assistance. The number can be found on the rental record, rental jacket or both, and given to the renter at the time of rental.

Toll System Charges: The University P-card may be used to pay toll fees.

How to Receive and Post a Receipt

When returning a vehicle during business hours, please request a receipt. If you do not receive a receipt you may call Hertz at 623-4116 or log on to the website at www.hertz.com and do the following:

- Under Customer Support, Select the option: Find a Receipt. The following information will be required: Driver's Last Name, Driver's License Issuing Country and State, and Driver's License Number OR Driver's Last Name, Credit Card Type and Credit Card Number.
- Click Search
- Select the Details Tab for the trip
- Print the receipt

Kansas vehicle rentals are tax exempt for the state taxes. If paying for vehicle rental (in Kansas) with a P-Card and the rental agency charges Kansas tax, the department must request a refund from the rental agency.

The university P-Card should be used when paying for a rental vehicle. When processing the receipt, write the P-Card Bank ID, the Name of the Traveler and the IFAS PO#, if applicable, from the Travel Receipt Form on the bottom left corner of the receipt. Post the receipt on INTELLILINK and send it to Accounts Payable in the Credit Card envelope.

Final Note: If Hertz and the Motor Pool do not have a vehicle available and the traveler does not want to take a personal vehicle – Please, contact Purchasing at 4463 or 4250 before renting a vehicle from another company.

Private Vehicle

If the traveler takes their personal car, the [FHSU Vehicle Rental Comparison Form](#) will need to be started prior to creating the Lotus Notes Travel Receipt Form. When the traveler returns at the end of the trip, a new FHSU Vehicle Rental Comparison Form will need to be completed due to a possible change in the fuel price. The form should be attached to the traveler's receipts and sent to Accounts Payable. The traveler will be reimbursed whichever is less: the Motor Pool rate, Hertz full-size car rate, or private vehicle rate per the FHSU Vehicle Rental Comparison Form.

If one employee is taking a personal car to an out of state destination (not a border city), they must provide a printed airfare quote and can only be reimbursed the lesser charge of actual miles traveled or the airfare quote and mileage to the airport (other than Hays). Lodging en-route cannot be reimbursed and subsistence will only be reimbursed as if they are flying per the airfare quote. A Vehicle Rental Comparison form must also be provided. When possible, departments should assign more than one employee to a vehicle.

To calculate the mileage for the private car, the Kansas Department of Transportation (KDOT) mileage chart must be used for towns listed within the borders of Kansas. The website address is: <http://kdotapp2.ksdot.org/mileagebetweencities/>. If the destination is not on this website, please use the MapQuest website: <http://www.mapquest.com/directions/>. Print the map-quest mileage information and send it to Accounts Payable with the other travel documentation. Vicinity miles can be reimbursed for each day and for each city by reporting it separately on the Lotus Notes Travel

Receipt Form with the purpose for traveling the vicinity miles and the name of at least one business or individual contacted.

Vehicle Insurance for Official State Business

Insurance - Collision Damage Waiver (CDW)

VISA provides our agency protection for collision damage liability when renting **compact, intermediate/mid-size, and full-size cars; mid-size suvs; mini-vans; and pickup trucks** with the university p-card.

- Employees should choose to **decline** the Collision Damage Waiver or Loss Damage Responsibility Waiver (**CDW/LDW**) when renting these types of vehicles from the contract vendor (**Hertz Corporation**).

Note: The Loss Damage Responsibility Waiver (LDW) is referred to elsewhere in the rental car industry as Collision Damage Waiver (CDW).

- **Please note that protection from collision damage liability is only provided by the p-card when the person driving the vehicle is listed on the rental agreement with the car rental company. If multiple drivers are anticipated, those drivers must be included on the rental agreement in order for your agency to have protection from collision damage liability.**
