

Policy Regarding FHSU's Alternative Licensure

Candidates Employed Out of State

1. Candidates will take Fort Hays State University alternative licensure coursework that will enable them to be considered a program completer of a state-approved teacher education program. They can then apply for licensure in other states.
2. Candidates must be eligible for and receive an alternative license from the out of state licensing agency for the state they will be employed in. A copy of this license must be submitted to FHSU. Candidates will need to meet any additional requirements that the out of state licensing agency may have to qualify for the alternative license.
3. Candidates must provide verification to FHSU of successful completion of a fingerprint or background check. This requirement may be met by verification of issuance of a teaching license.
4. Payment of out of state supervisors will be at the FHSU current rate.
5. Formal Observations by FHSU supervisors may require the use of the internet, a webcam and **Skype** or **Google Video**. (The webcam will be focused on the intern and NOT on any of the students in the class and it will NOT be recorded.)
6. FHSU will require candidates employed in other states to meet these requirements:
