Improv, Stand-up Comedy & Live Music made up ON THE SPOT!

*Every song is fresh. Every scene is new. Every night is different.
It's all improvised and it's all funny.*

The hysterical Broadway's Next Hit Musical is the only unscripted theatrical awards show. Master improvisers gather made up, hit song suggestions from the audience and create a spontaneous evening of music, humor, and laughter. The audience votes for their favorite song and watches as the cast turns it into a full-blown improvised musical - complete with memorable characters, witty dialogue, and plot twists galore. BNHM has been seen recently at The Triad, Tribeca Film Festival, and at the New York Musical Theater Festival, among many others.

This program will run approximately 85 minutes with no intermission

Director's Note

The lights go down. The overture begins. Pretty much your typical musical theater experience so far, yes? No! Tonight will be different! Why, you ask? *Because this musical has never been seen before!* In fact, it has not even been conceived, written or rehearsed! And yet it will appear, complete with script, music, lyrics and choreography, before your eyes this evening. This is the exciting process at the heart of *Broadway's Next H!T Musical*. We will step onstage free of any pre-performance ideas and allow ourselves to be inspired by what you, our audience, write on a small piece of paper – a story to unfold as we perform it. We are empowered by the notion of creating a memorable song, complete with melody and lyrics. We dance to choreography invented as it is executed. *Broadway's Next H!T Musical*, improvisation at its best, will amaze and delight you, and leave you with the experience of seeing what has never before been seen and what will never be seen again. *Broadway's Next H!T Musical* can only be described as *magic!*
