

# **Tiger Transfer Pre-Enrollment**

## **What to Bring**

**TRANSCRIPTS** Forget to submit your transcripts? If you have previously earned college credits and have not yet submitted them to the Registrar's Office, please bring unofficial copies of transcripts or grade cards so we can advise you properly.

**SCHOLARSHIP INFO** If you have been awarded scholarships from a source other than FHSU, congratulations! Please bring information regarding these scholarships to turn in to the Financial Assistance Office.

**PHOTO ID** Cheese! We want to take your picture for your official FHSU ID – the Tiger Card. But first, we'll need to see a driver's license, passport or military ID.

**IMMUNIZATION RECORDS** Student Health Center staff will be on hand to answer any questions about the Meningitis & Tuberculosis policies. Hand in a copy of your records to start your Student Health file.

**QUESTIONS** Start thinking of them now and write them down to bring with you. As the old saying goes, the only "stupid" question is the one left unanswered.

**PARENTS / GUARDIANS** We've got a special agenda planned just for mom and dad to help answer their questions, too. It's not every day their kid goes off to college!

**A GREAT TIGER ATTITUDE** We're excited to see you at FHSU...we want you to be excited, too!
