Leadership Student Inducted into Mortar Board

HAYS, Kan. (April 6, 2011) The Department of Leadership Studies is proud to announce some of our outstanding Leadership students have been accepted into the Mortar Board at Fort Hays State University (FHSU). Jill Moeder, junior, who is a Hays native, was recognized, Wednesday, April 6, 2011 during one of her leadership classes. Joining her was Laura Dougherty, junior, from Colby, KS.

Mortar Board is a prestigious honor society that recognizes college seniors for their achievements in scholarship, leadership and service, and creates opportunities for continued leadership development. They also promote service to the university and encourage lifelong contributions to the global community. It is an honor having Moeder and Dougherty represent the Department of Leadership Studies.

Aside from Mortar Board, another prominent organization on FHSU's campus is the VIP Ambassadors. Regan Ochs, sophomore, from Hoxie, KS and Ryan Edmundson, senior, from Brewster, KS were accepted into the organization.

VIP Ambassadors serve at a variety of special events, including Homecoming, athletic activities, presidential dinners and other gatherings. Students must be full-time undergraduate students with a minimum cumulative 2.5 grade point average and be able to assist with nine to 10 events per year.
