Points of Clarification

1. Students still may be required to take freshman or sophomore courses to meet degree or graduation requirements. Transfer students who have not completed an associate degree may transfer Fort Hays State University hours back to the community college based on the community college's approval in order to complete the associate degree.
2. All students completing a teacher education program at the university shall satisfy the FHSU general education requirements or the transfer and articulation agreement. Students must complete the following specific courses with a C grade or higher:

| | Hours |
|------------------------------------|-------|
| English Composition I | 3 |
| English Composition II | 3 |
| Fundamentals of Oral Communication | 3 |
| Intro to Computer Information | 3 |
| College Algebra or higher | 3 |
| Elements of Statistics | 3 |
| Multiculturalism in the U.S. | 3 |

3. Students with associate's degrees who have not met the transfer articulation distribution requirement may complete the Transfer Articulation Agreement at FHSU or fulfill the FHSU General Education program.
4. Credit for equivalent technical courses may be granted by departmental examination at the receiving institution.
5. In addition, all transfer students must fulfill a three-hour upper division integrative course which fulfills a university requirement.
