Whereas: The Legislative and Political Action Committee, issued with the task of reviewing student fee increases, has researched a proposal for a Student Health Center fee increase; and

Noting: That a \$0.75 increase would generate approximately \$88,012 that would allow for coverage of the existing budgetary deficit, meet current operating expenses, and build a small reserve to meet the demands of an increasing number of repeat clients; and

Further Noting: This fee increase is subject to standard inflationary increases deemed suitable by the student fee review committee.

Therefore: Be it resolved by a majority vote of the Student Senate and the signature of the Student Body President, that the Student Government Association recommends a \$0.75 per credit hour increase in the Student Health Center fee.
