V. Open Forum

a. Halloween Costume Contest Voting

President Gillogly and Senator Hansen won the Halloween costume contest. Senator C. Stramel shared with senate his conversation with Mark Pahl over TailGreat and the fee that is applied to reserving a spot for tailgating.

Senator Davis stated that he still believes that students should not be charged.

Senator Purdy stated that he thought that this might be a question for FHSU about not charging.

President Gillogly asked if Senator C. Stramel asked if FHSU could save room in their budget to pay for students.

Senator C. Stramel answered that he can ask that in a follow up conversation but stated that the fee is a nice gesture to the community and the fee reserves your spot for TailGreat.

Senator Davis reiterated that he still thought that students shouldn't have to pay and that another means should be worked out so they don't have to.

Senator Ladd asked the senate how many senators actually tailgate? (Senator Davis was the only one who raised his hand) Senator Ladd then stated that personally he doesn't mind paying ten dollars to support our chamber of commerce.

Senator Davis again respectively disagreed and stated that students pay enough already and that it is ironic to charge a fee to keep a populated parking lot and that there is more than just the 2 people on SGA that tailgate.
