

FORT HAYS STATE  
UNIVERSITY

## Elementary Education Early Childhood Unified

**EDUCATION DEGREE AGREEMENT**

FORT HAYS STATE  
UNIVERSITY

Colby Community College and Fort Hays State University have partnered to offer a 2 + 2 Elementary Education Agreement for teacher education candidates.

Candidates have the opportunity to complete an elementary education degree in Early Childhood Unified. Students are encouraged to work with their advisor to ensure a smooth transition to FHSU.

This brochure is a working document. After completion of approximately 45 credit hours at CCC, the student and advisor should sign the brochure and send it to the Fort Hays State University Department of Teacher Education Chairperson.

Completion of this degree will provide candidates the opportunity to seek Kansas licensure in Early Childhood Unified.

**2+2 agreement requires that the student work with their advisor and follow the program of study as outlined in this brochure to ensure a smooth transition to FHSU.**

Signing this brochure indicates your intent to participate in the 2+2 program between CCC and FHSU. Students are required to successfully complete the curriculum listed in this brochure and meet any college, university, and/or state requirements in order for the program to be completed. Programs of study are subject to minor changes on the basis of program improvement.
