Founded in 1902, Fort Hays State University (FHSU) is a liberal arts, state-assisted institution in western Kansas with a total enrollment of more than 10,000 students. It has four colleges (Arts and Sciences, Education and Technology, Business and Leadership, and Health and Life Sciences) and a Graduate School. It also has a Virtual College that delivers courses electronically throughout Kansas and beyond. Students at FHSU can select a major field of study from 30 departments and study in an electronic environment throughout the campus. The university is fully accredited by several national agencies and is one of six state-assisted institutions of higher education governed by a Board of Regents appointed by the governor of the state of Kansas. Diversity & International Students at FHSU

Quality multi-cultural experiences are essential for functioning effectively in a global society. Through the living, learning and working experiences at FHSU, we celebrate diversity as an opportunity to broaden our cultural experiences, enhance understanding of our cultural perspectives, and value each person’s heritage.

Throughout the year, a variety of organizations contribute to bring international events to campus and to the larger Hays community. Annual program and events include welcoming parties, Oktoberfest, International Spice, Friendship Family Program, International Education Week, International Thanksgiving Dinner, Speakers Bureau Program, and the Department of Geosciences Travelogue Series. Additionally, a number of student organizations exist on campus to further understanding and cooperation. For more information, please visit: http://www.fhsu.edu/international/

Several FHSU and community clubs and organizations will be available to KAMS international students. Examples of these clubs include: International Student Union, Model United Nations, Black Student Union, Chinese Student Association, FHSU Anime, German Club, Hispanic American Leadership Organization, French Table, and many others.

FHSU’s Office of Diversity Affairs provides recommendations to enhance a campus community environment that promotes diversity of thought and culture. Additionally, they provide conscious and sensitive educational opportunities for students and employees in conjunction with a shared understanding of diversity to be inclusive of, but not limited to, racial equity, ethnicity, religious belief, sexual orientation, gender, disability, socioeconomic status, national origin and age. The Office of Diversity Affairs is committed to helping Fort Hays State University be an organization that welcomes, celebrates and promotes respect for all individuals.

Diversity Affairs:
- develops and maintains administrative policies which encourage multiculturalism and prohibit intolerance and discrimination;
- develops a Campus-wide Action Plan for Diversity that welcomes people from all backgrounds, and seeks to include their knowledge and values into the fabric of life in our community;
- provides a shared vision of diversity which fosters the value of open and free exchange of ideas;
- provides and maintains funding and resources to support the implementation of the Diversity Plan;
- establishes policies and procedures to measure the effort of the Diversity Plan and requires accountability to the Plan; and
- incorporates the dimensions of diversity into every aspect of the University’s activities.
It is understood and assumed that applicants are currently enrolled in school in a grade equivalent to the U.S. tenth grade. Students enrolling at the Academy are expected to complete our two-year program, leading to a high school diploma issued by Hays High School, completion documents from the Academy, and an Associate’s degree from Fort Hays State University.
