

## Fort Hays State University becomes an LOI institution on October 1, 2008 with the United States Army

Any Active military student, whether current or prospective, must utilize the GoArmyEd portal to access courses and programs in order to receive Tuition Assistance.

FHSU and the Army partnered to sponsor two highly sought degree programs: **Bachelor of Science in Justice Studies** and the **Bachelor of Science in Organizational Leadership**. Degree maps have been approved and submitted for these degrees but soldiers are welcome to take numerous other courses or programs with FHSU.

Fort Hays State University accepts Military Occupational Specialties, CLEP, DANTES, and numerous other institutional credits along with Advanced Placement Examinations, Local Examinations, and Excelsior College Proficiency Examinations approved by the ACE recommended scores; which can all be applied toward the completion of the degree.

The keystone of our success with the military is our “high-tech” and “high-touch” approach. First rate educational quality of instruction, combined with a personalized advising program, Fort Hays State University will guarantee Affordable Success wherever soldiers are stationed through the ease of distance instruction utilizing DVD, CD-ROM, and online delivery. Couple those resources with classroom integration of non-military personnel, cooperative learning is significantly enhanced for all students through real-world experiences brought into the classroom. FHSU also sponsors Troops To Teachers benefits and Veterans Tuition and Scholarship information for soldiers.
