

## STUDENT HEALTH COMMITTEE

Friday, October 02, 2009  
10:58 AM

### Agenda:

1. Welcome/Introductions
2. Purpose of Group
3. Review of Student Health Task force Findings
4. Highland Health Plans
5. Ideas to improve accessibility/visibility/image

### Attendees:

- Dona Koenigsman, Director
- Doreen Koerner, Student Health
- Lottie Porsi, Student Health
- Pat Moeder, Student Health
- Dorothy Ochs, (guest)
- Christine Hober, Nursing

### Action Items:

- ☐ After hours line to on call NP or a paid nurse line service for student to call to avoid the use of ER or unnecessary appointments at other expensive facilities.
- ☐ An NP on call for evenings or weekends?
- ☐ Christine asked if we could allow Dorothy Ochs to join the group since Dorothy is in need of a campus organization as part of her employment requirements.
- ☐ The Springwell committee and Student health's involvement with the wellness project explored. The department is responsible for maintaining the calendar for educational topics for presentations on health and wellness topics, no volunteers have been received from the nursing department to date. Many suggestions received.
- ☐ Lottie suggested occasional lunchtime presentations in the union on health topics in skit form, suggestions were made to recruit nursing students to help with the acting, etc to present the education while keeping it humorous.
- ☐ October is Breast Cancer Month. Suggestions were made to hand out cards for free breast exams and to get free self breast exam models from the Ellis Country Cancer Council to hand out to students.
- ☐ Athletic Students will be shadowing staff soon, Nursing students will shadow on Tuesdays or Thursdays and JinJin Chu will be in the SHC for 1 week to shadow our staff to evaluate our place in Student Affairs.
- ☐ Discussion was held on ideas for advertising, increasing visibility campus wide, website ideas and any other way to increase traffic and student utilization of the services we offer.
- ☐ Highland Health will be starting insurance training and selection soon. We will also benefit with a new software package from them to do scheduling and billing. In January, the group plans to have an EMR ready for release that will also benefit our center.

No further business, the meeting was adjourned.

Staff Committee Meeting  
10/02/09

Members Present: Christine Hober, Pat Moeder, Lottie Porsi, Doreen Koerner, Dorothy Ochs, and Dona Koenigsman

Reviewed information regarding the Task Force Plan, i.e. models, staff, ect..

Highland Group Insurance was discussed: cost and co-pays for students

Student Health will gain alot not only with the billing aspect but by Highland Group possibly to have the EMR on line by Jan. 2010

Pharmaceutics- How much we use or the need to stock medication. In the past to much of the medication was thrown away due to out dates and we will need to tweak that area

What SHC needs to expand & improve and to do have more PR:

SHC has joined forces with with the Springwell Committee: Classes have formed starting in October on Tuesdays for Staff at CH and Wed for Students at the (Union?)

Overall wellness and health related information and education.

Lottie has volunteered to take a evening and speak over "The Importance of Sleep" will ask Suzanne Bollig from HMC in the sleep center to be a presenter

Others have offered to do their talks over "Lite Cooking"

SHC Web needs to be a resource on many pages, i.e. Wellness Web, Kelly Center, Nursing Web ect.

Suggestions:

Lottie suggested a "Hot Line" for on call for nights and weekends. Dona suggested that possibly Highland Grp could be used if they have this program

Dona added after the meeting: Possible services for "Domestic Violence"

SHC need to be more visable-radio, internet, suggested have "skits on stage at the Cody Commons regarding informational / educational / use humor to get accross regarding wellness

Breast pamphlets sent to dorms

Free cancer screening

Upcoming Events:

Athletic Dept again has some students who will need to shadow the NP here at SHC

Anissa will have the nursing student shadow her

Jin-Jin Chu will also shadow SHC 11-29- to 12-10-09
