### WHAT IS CRIMINAL JUSTICE?

Criminal Justice is a multidisciplinary career field in which professionals draw on the expertise of several fields, including justice administration, sociology, political science, psychology, and others. The FHSU Department of Criminal Justice incorporates multiple disciplines to give students the skills they need to distinguish themselves in the field and better prepare them for a variety of career paths, including advocacy and programming, corrections, courts, law enforcement, private enterprise, and research.

We have programs for every level of interest and experience, from new college students to mid-career professionals looking to advance in the workplace. We offer a Bachelor of Arts and Bachelor of Science degree, a minor, certificates, and a Master of Professional Studies emphasis.
