

# HEALTH & HUMAN PERFORMANCE

## WHAT IS HEALTH & HUMAN PERFORMANCE?

Do you want to change the world? The fields of health and fitness impact everyone, young and old, and if you want to make a real impact on the world around you, the Department of Health and Human Performance has a program to meet your needs.

We offer three undergraduate degrees (and the HHP major is further split into 4 specialized areas of study), three master's programs, and six certificate programs. We offer a variety of courses and programs online and on-campus; please explore the programs below for more information.
