

PROVEN ACADEMIC SUCCESS STRATEGIES

① CONTACT YOUR ACADEMIC ADVISOR

- Discuss your academic probation and adjust your class schedule to optimize for academic success.
- Consider taking UNIV 103: Succeeding in College.
- Discuss repeating courses to improve your grade and cumulative GPA.
- Discuss a reasonable number of hours for academic success. Keep in mind you need a minimum 2.0 GPA to avoid academic suspension at the end of the next term.
- Ensure FHSU has all **official transcripts** for all college credits attempted (including concurrent and transfer course work).

Consult with your academic advisor if anything interferes with your ability to succeed in your courses. They are available to assist you in identifying options and resources to consider for academic success.

② TALK TO YOUR INSTRUCTORS

Communicate with your instructors anytime you begin to have questions or concerns. If you are not at a C or better, reach out to your instructors for assistance.

③ UTILIZE ACADEMIC TUTORING

Students should meet with Academic Success for assistance in the areas of academic tutoring, time management, and study skills. They are located on the first floor of the Fischli-Wills Center for Student Success or call 785-628-4260.
