Undergraduate researchers from all disciplines are encouraged to submit their application for the annual Kansas Undergraduate Research Day at the Capitol poster symposium. Researchers must:

- * be undergraduates during the 2016-2017 academic year;
- * have completed research under the guidance of a Kansas 4-year public institution faculty mentor;
- * follow the methodology of the appropriate academic discipline;
- * have research of sufficient quality to be presented at a professional academic meeting;
- * have the skills, resources, and capacity to produce a professional academic poster;
- * agree to undergo presentation training and rehearse their presentations prior to the Capitol event.
