## Sending Case(s) forward to next review level

### A. Sending a single case forward:

With the appropriate case open, **select Send Case**, then **Forward to** (next level of review is only option).

The screenshot shows the 'Victor E. Tiger' case page. The breadcrumb trail is 'Fort Hays State University > Cases >'. The case title is 'Victor E. Tiger'. Below the title, there are two columns: 'Unit' (Department of Management) and 'Template' (Tenure - 3rd & 4th Year). On the right side, there is a 'Send Case' dropdown menu. An orange arrow points to the 'Send Case' button, and another orange arrow points to the 'Forward to' option in the dropdown menu. The dropdown menu also shows 'Backwards to Department Chair'.

Whether sending one or multiple cases (see option B below), the next box indicates who will no longer have case access and who is gaining access. When sending multiple cases, all cases moving forward will be listed as well.

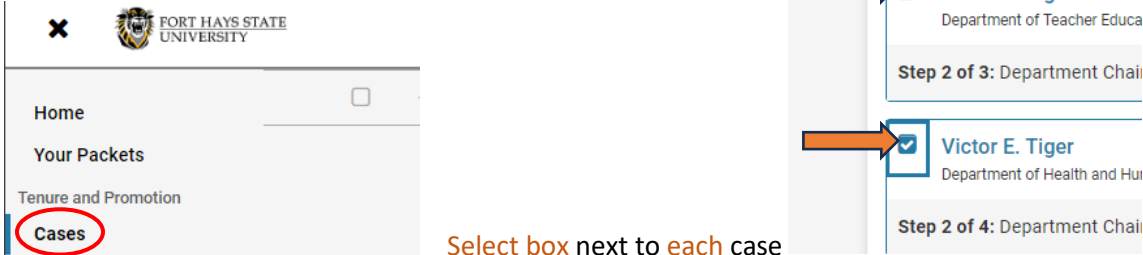

**Enter subject.** The Message contains Interfolio-generated wording. Leave as is or edit as desired.

**Continue** to complete process and notify next reviewer(s). **Cancel** will back out of process.

The screenshot shows the 'Send Case Forward' dialog box. The title is 'Send Case Forward' with a close button (X) in the top right corner. The main text reads: 'Great job! You're sending the case forward to the next step, Department Chair. The following reviewers will lose access to the case:'. Below this, there are two text boxes: 'Department Tenure Committee | 1 members' and 'Department Chair (to receive file) | 1 members'. The next section says: 'The following reviewers will gain access to the case:'. Below this, there is one text box: 'Department Chair | 1 members'. There is a checked checkbox labeled 'Send a message to the reviewers gaining access.' with the subtext: 'If recipients respond to this message, their response will come directly to your email inbox.' Below this is the 'Subject \*' field, which contains 'Department Committee Review Complete'. An orange arrow points to this field. Below the subject field is the 'Message \*' field, which contains a rich text editor with the following text: 'Dear committee members, This case is coming your way for review. You'll be able to see the documents and deadlines in Review, Promotion & Tenure when you sign in. Best, Janet Kohl'. At the bottom of the dialog box, there are three buttons: 'Preview', 'Continue', and 'Cancel'.

## B. Sending multiple cases simultaneously:

In Cases view **Cases** Select box next to each case

Step 2 of 3: Department Chai

Victor E. Tiger  
Department of Health and Hu

Select **Send Forward** in the top menu bar

Proceed in the same manner as sending a single case.

**REMINDER:** Load and share letters **before** moving case forward. See “Loading Initial or Final Recommendation Letter,” “Sharing Initial or Final Letter with Candidate,” and “Sharing Initial or Final Letter with Prior Reviewers.”

If you are not being allowed to send the case forward, check for a missing document(s) in **Case Details, Required Items**.

College Tenure Committee Final Letter Add

No files have been added to this section.

The letter was likely loaded to Case Materials instead of Case Details. See “Adding a required letter to ...” below to add the letter to Case Details.

*Deans don't send 1<sup>st</sup>-4<sup>th</sup> year tenure cases forward since the dean is the last reviewer. These cases remain viewable in the dean's Cases tab until the Provost Office staff close all tenure cases after the review process is complete.*

## Uploaded Letter Troubleshooting

### Correct loaded letter title or move letter to appropriate section

You can rename or move your uploaded letters any time you see “Edit” or the pencil icon . This may be needed when, for example, the dean's letter was saved in the chair/department documents or the file name didn't include all required information. Simply **select Edit or the pencil** then **Edit Details or Edit Settings** to make corrections, and/or move letter to correct section, or delete the document.

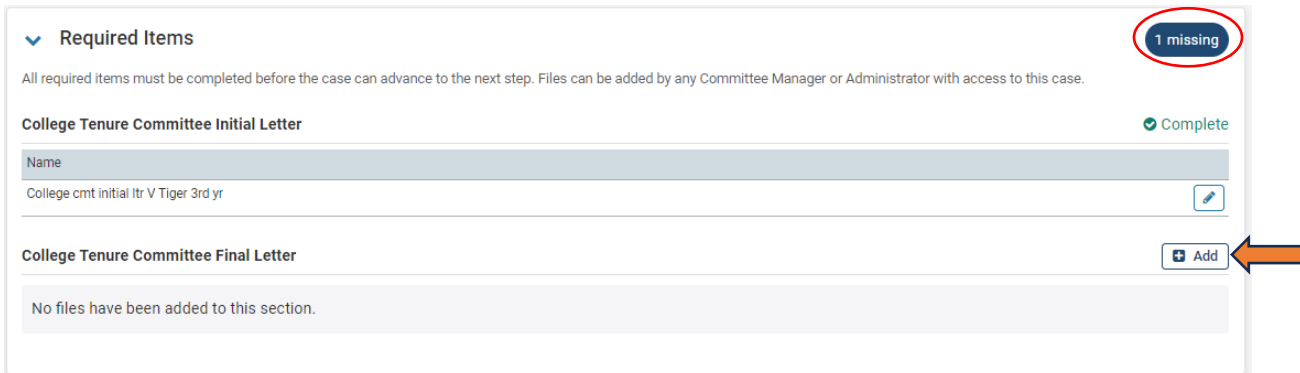

## Adding a required letter to Case Details when it was initially loaded to Case Materials

If letters were added to the case, but the Case Details tab still has a circled 1 or 2 next to it, the letters were likely loaded to Case Materials instead of Required Items in Case Details. The case cannot be moved forward until Case Details Required Items are complete.

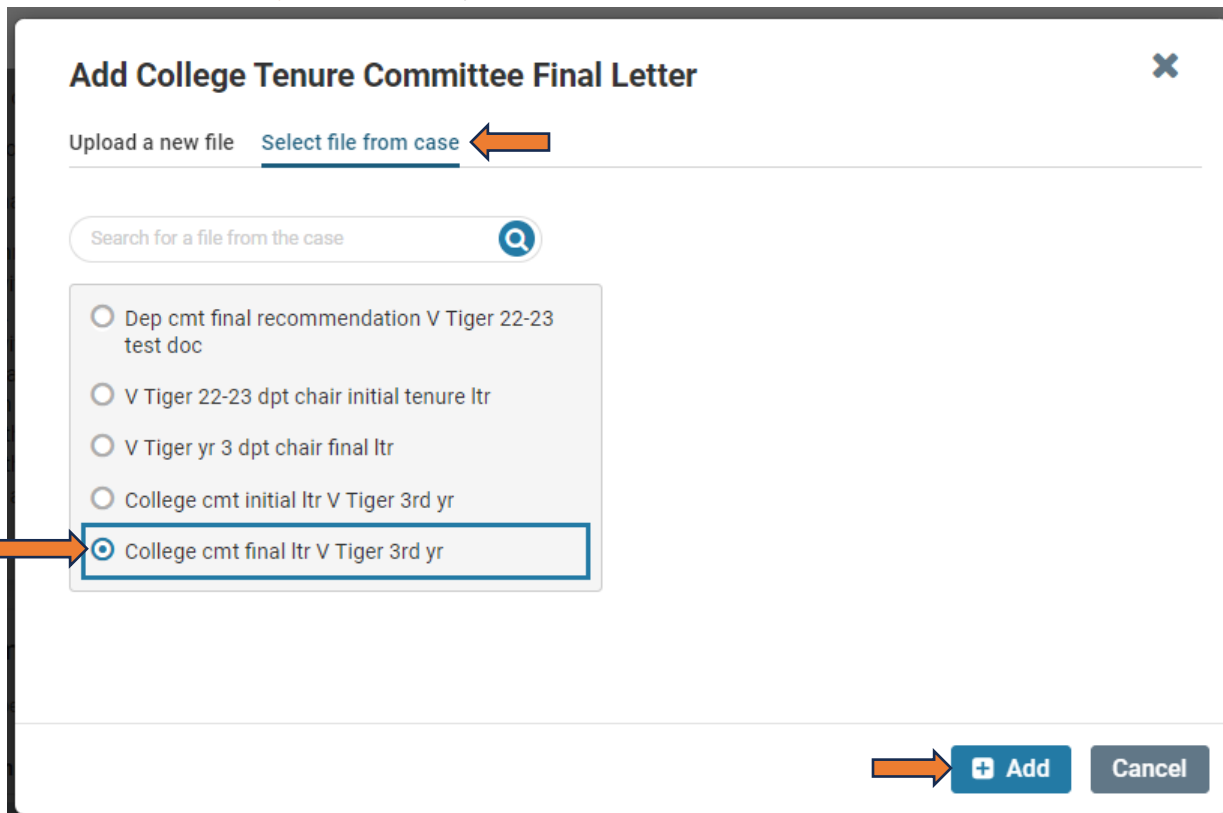

Click on **Case Details** tab,

Scroll down to **Required Items** and **+ Add** next to missing item.

“Select Files from Case,” select the file, then **+ Add**.

Next, open the selected letter from Required Items to **verify it is the correct document**. This is especially important if any recommendation letters are not clearly titled with review level and initial/final.

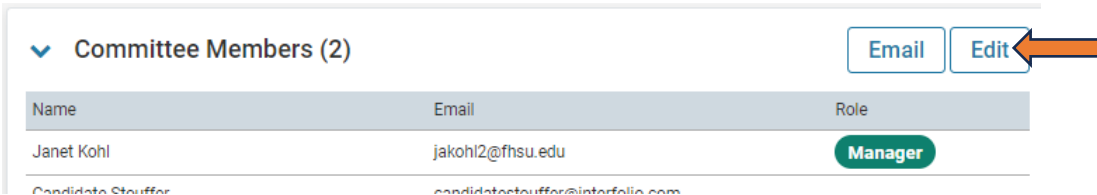

Proceed with moving the case forward.

## Changing or adding committee manager access if needed

The committee chair is marked as “Manager” for access to complete Committee Manager tasks. When another committee member is designated as chair or is assisting with CM tasks, the committee chair or administrative assistant can add Manager access for that individual.

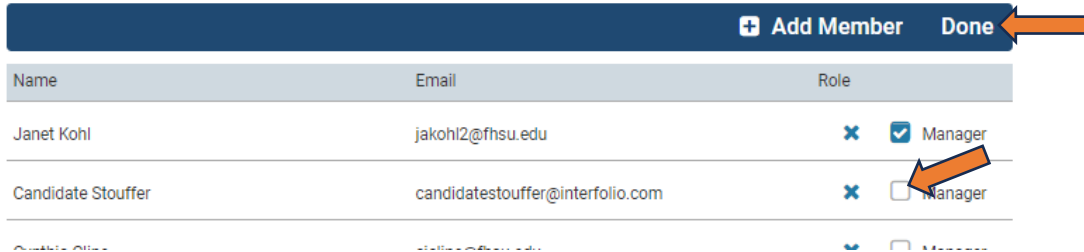

Scroll down to Committee Members under Case Details tab. Case Materials Case Details 1
