

FACULTY AWARDS

CALL FOR NOMINATIONS

Each spring semester, the University selects one individual for the **Cross-Border Educational Excellence Award**. This award exemplifies excellence in contributing to FHSU students' academic experience in a cross-border partner institution. All FHSU faculty, staff, and administrators employed at FHSU cross-border partnership schools will be eligible to receive this award.

The award is supported by the Deans and the Office of the Provost.

The recipient will make a brief presentation (on the Hays campus or at the cross-border university in which the faculty member serves) about student success in the cross-border partnerships. The awardee will receive a payment of \$500 for the presentation and an allocation of \$250 in OOE for approved expenditures.
