

Sending Case(s) Forward to Next Review Level

Send case forward **after** initial and final letters have been loaded and “shared” with candidate and prior reviewers.

A. Sending a single case forward:

With the appropriate case open, **select Send Case**, then **Forward to** (next level of review is only option).

Whether sending one or multiple cases (see option B below), the next box indicates who will no longer have case access and who is gaining access. When sending multiple cases, all cases moving forward will be listed as well.

Enter subject. The Message contains Interfolio-generated wording. Leave as is or edit as desired.

Continue to complete process and notify next reviewer(s). **Cancel** will back out of process.

Step 2 of 4: Department Chai

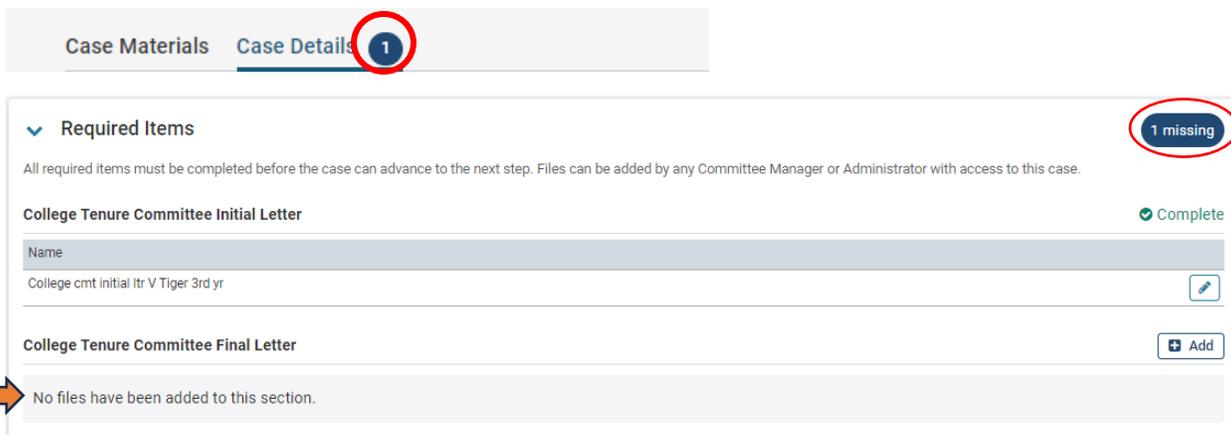

Select **Send Forward** in the top menu bar

Proceed in the same manner as sending a single case.

REMINDER: Load **and** share letters **before** moving case forward. See “Loading Initial or Final Recommendation Letter,” “Sharing Initial or Final Letter with Candidate,” and “Sharing Initial or Final Letter with Prior Reviewers.”

If you are not being allowed to send the case forward, check for a missing document(s) in **Case Details, Required Items**.

Case Materials **Case Details 1**

Required Items **1 missing**

All required items must be completed before the case can advance to the next step. Files can be added by any Committee Manager or Administrator with access to this case.

College Tenure Committee Initial Letter **Complete**

Name
College cmt initial ltr V Tiger 3rd yr

College Tenure Committee Final Letter **Add**

No files have been added to this section.

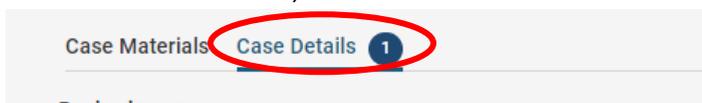

The letter was likely loaded to Case Materials instead of Case Details. See below to add the letter to Case Details.

Deans don't send 1st-4th year tenure cases forward since the dean is the last reviewer. These cases remain viewable in the dean's Cases tab until the Provost Office staff close all tenure cases after the review process is complete.

Adding a required letter to Case Details when it was initially loaded to Case Materials

If letters were added to the case, but the Case Details tab still has a circled 1 or 2 next to it, the letters were likely loaded to Case Materials instead of Required Items in Case Details. The case cannot be moved forward until Case Details Required Items are complete.

Click on **Case Details** tab,

Case Materials **Case Details 1**

Scroll down to **Required Items** and **+ Add** next to missing item.

“Select Files from Case,” select the file, then **+ Add**.

Next, open the selected letter from Required Items to **verify it is the correct document**. This is especially important if any recommendation letters are not clearly titled with review level and initial/final.

Proceed with moving the case forward.
