KSDE GUIDELINES TO TEACH DRIVER EDUCATION IN THE STATE OF KANSAS

https://www.kssos.org/pubs/pubs_kar.aspx

Kansas Administrative Regulations: Agency 91 Article 5 Regulations 1-14

HOW TO GET STARTED

1. Apply to FHSU Graduate School
<https://wd1-student.myworkdaysite.com/fhsu/GradStudentSite02>
2. In Program of Study, select Driver Education Graduate Non-Degree
3. Select the semester, campus location: Virtual, pay \$40 Application Fee
4. Submit a copy of unofficial Bachelor's transcript showing degree conferred from a regionally accredited institution, email to gradschool@fhsu.edu.

FHSU is offering the approved course program, the required element for the Drivers' Education endorsement. KSDE is in the process of working with the State Attorney General to approve the regulations for the Driver Education endorsement. At this time, at the completion of the program, you will need to provide your transcripts to Robyn Meinholdt at rmeinholdt@ksde.org. Once KSDE receives your transcripts, verifies you hold a current Kansas teaching license, and validates that you have completed an approved Driver Education Program, they will issue an official letter acknowledging that you have the completed all the credentials needed to teach in a public driver education program and that KSDE allows you to do so.
