### TEXTBOOK & COURSE MATERIALS

#### Required Textbook (for both fall and spring semesters):

- *"Stand Out: Design a Personal Brand. Build a Killer Portfolio. Find a Great Design Job"* by Denise Anderson

**Required Supplies (for both fall and spring semesters):**

- 3-Ring Binder (2"), 7 Tab Dividers (labeled according to "Topics to be Covered")
- External Hard Drive or Solid-State Drive (1 TB)  
I suggest the SanDisk 1TB Extreme Portable SSD, #SDSSDE61-1T00-G25

**Technology Requirement:**

All students enrolled at Fort Hays State University are expected to have a computer\* for use in a variety of university learning experiences. \*On-campus students are expected to have a laptop to ensure mobility. TigerTech only assists when accessing and using FHSU-hosted systems and University-owned equipment. FHSU does not sell computers and does not provide computer repair for student devices.

**Hardware:**

To meet basic security, networking, and upgrade requirements, your computer should be running Mac OS X (or newer). Students are encouraged to utilize the two Mac labs in the department (rooms 202 and 210). Ideally, your computer's warranty should be supported by the manufacturer throughout your college career. iPads are not recommended for use as your primary device due to limited functionality. Ask your instructor or academic department to learn about any specific technology requirements that may apply to your program/courses.

**Software:**

Enrolled students at FHSU can take advantage of a variety of options to get FREE and/or discounted software for use on personal devices at [www.fhsu.edu/tigertech/software/](http://www.fhsu.edu/tigertech/software/). If you have any technical issues, contact FHSU TigerTech 785-628-3478, and notify the professor.

Most courses in Graphic Design and Motion Design programs require some horsepower when it comes to hardware and software. The computers in either computer labs 202 or 210 are sufficiently updated and should be utilized as much as possible for student projects. In the event of hybrid instruction, students may also work from home on a personal computer or laptop.

**05****STUDENT RESOURCES**

Students have access to academic services, technical support, and student services at Fort Hays State University. You can find the resources online at FHSU Blackboard Student Tutorials. For more information, you can contact TigerTech at 785-628-3478 or FHSU TigerTech.

**06****TEACHING METHODS & EXPECTATIONS****Delivery Method:**

Below is a breakdown of each platform we will use for the semester.

- **Blackboard**  
This tool is a university standard and will serve as the central hub for this class. Here you will find your grades, announcements, links to video content, and more. Blackboard sends alerts, but it is always good to check the course page early and often.

- **Facebook**

Please join the group called "FHSU Professional Development in Graphic Design 2026-2027." This will be one of the main communication platforms we use due to the versatility of the tools provided. Announcements will be posted here, and we will use it for critique when outside of class. Please turn your notifications on for this course.

- **Google Drive**

Each student will have their own folder within the "Professional Development 2026-2027" Google Drive folder. Students will be responsible for placing the specified projects in their folders for grading.

**07****ASSESSMENT METHODS & GRADING****Grading Criteria and Course Instruction**

The subject matter will be taught through a combination of lectures, discussions, readings, collaboration, and independent research. Students will be responsible for completing assigned worksheets and projects on covered topics. Projects and their equivalent point values are listed below. A total of 900 points is possible. Grades will be posted on Blackboard in a timely manner.

|                                       |           |
|---------------------------------------|-----------|
| • Worksheets: 375 pts                 | 805—725 A |
| • Marketing Package: 150 pts          | 724—645 B |
| • "The Big Interview" Project: 80 pts | 644—630 C |
| • Mock Interview: 100 pts             | 629—565 D |
| • Website Plan: 100 pts               | 575—0 U   |

**08****COURSE POLICIES****Class Attendance/Participation:**

Students are expected to attend all class meetings. Lectures will be given on any day, and you will be expected to know the material for class discussions and projects. Three unexcused absences will result in the loss of a letter grade at the semester. Five unexcused absences will result in the final grade of "U". Excused absences are illness and official University travel. If you know you will have to be absent, please call, e-mail, or leave a message with the art office (628-4247). Please be on time for class. Being tardy two times will equal one absence, etc.

**Assignment Due Date:**

When a deadline is set, you are expected to meet it on time. You will have to spend extra time out of class to work on your projects. Only serious reasons will be accepted for an extension. Unless prior arrangements are made, all projects are due on the noted day. For every day a project is turned in late, one letter grade will be deducted from the total grade. Assignments turned in late will be accepted up to two class periods late. After that, it is an automatic "U" (unless other arrangements have been made).

**Procedures for Assignment Submission:**

Each project will have an associated Learning Module on Blackboard. Students will be required to print and/or upload their finished project in the class Google Drive before class begins on the due date.

**Cell Phone Policy**

Unless using a mobile device for research or taking notes, please keep them silent and out of reach. Texting and taking phone calls are prohibited unless prior permission is obtained.

**Facility Hours & Policies**

The Schmidt Foundation Center for Art and Design Hall will be open from 7:00 AM–9:00 PM, Monday through Friday. Students will need to obtain a “Night and Weekend Pass” from the main office to be in the building after hours, on weekends, and on holiday breaks when the building is locked. Each student major will have access to enter the building with their Tiger ID card and must keep their pass with them while in the building, as the campus police will be patrolling the premises each night and will ask to see the student’s pass and Tiger ID. Anyone who does not have their Night and Weekend Pass and ID with them will be asked to leave by campus police (if it is after regular hours or on a holiday break).

**10****ARTIFICIAL INTELLIGENCE (AI)****Visual Imagery Creation STRICTLY PROHIBITED:**

The use of AI-generated imagery is strictly prohibited in this course. Academic integrity is essential. Assignments that are suspected of or found to be plagiarized or employ the use of unauthorized AI tools will be subject to the University Academic Honesty Policy and may result in a 0 for the assignment, failure of the course, and, if warranted, expulsion from FHSU.

**Written Content Creation with Prior Permission:**

Students can use AI-generated texts only on designated portions of written assignments in this course if the instructor’s permission is obtained in advance and the content generated is properly cited. Unless given permission to use AI tools, each student is expected to complete each assignment without substantive assistance from AI. Unauthorized or suspected unauthorized use of AI will be subject to the FHSU Academic Honesty Policy and may result in a 0 for the assignment, failure of the course, and, if warranted, expulsion from FHSU.
