	<hr/>
Total:	1000 points

Grading Scale:

100=90 = A

89=80 = B

79-70 = C

69-60 = D

59-0 = U

Grading will be based on the substance, clarity, and quality of work, and the effort made to learn the material and contribute in a positive way to your personal success in the class. An Incomplete (or "I") grade will only be given in extreme cases and at the discretion of the instructor.

Readings / Summaries / Discussion

Several readings will be assigned over the course of the semester (links are provided on Blackboard), and discussions will be held during class. Each student will be assigned readings to summarize and lead the class in discussion. The student leading will be expected to provide handouts for the class, which should include a summary of the reading/s and questions or points for discussion. Participation comprises part of your final grade and will be recorded.

Artistic Development Paper / Presentation

In this paper and presentation, the student will develop a clear and concise artist statement and discuss the development of his/her art and style. The length requirement for the paper is 5-6 pages; the presentation should be shown as a PowerPoint, incorporating visual images of the student's art and artistic influences.

The paper must address each of the topics listed below:

(however, the student is certainly not limited to this list!)

- discuss the beginning of your interest in art (include early examples of your art)
- examine the sources of your art:

- what artists or movements have influenced and inspired your work?
- how has your work developed since you began to create art?
- what prompted these changes?
- discuss the concepts / methodologies / theories you aim to express through your art
 - include AT LEAST TWO concepts / methodologies / theories discussed over the course of the semester
- address how your art fits in with contemporary art and/or how it relates to art of the past
- consider the direction of your art in the future; what new developments do you foresee?

ATTENDANCE:

Attendance is required as this is a discussion-based course. Frequent absences will therefore jeopardize your final grade. It is your responsibility to make up all materials missed due to absence. More than one UNEXCUSED absence will result in a deduction from your final grade (typically an entire letter grade).

If you miss a discussion, presentation, and/or deadline because of illness or other emergency, you must notify me as soon as possible. **Opportunities to make up missed work will ONLY be given for DOCUMENTED reasons involving personal, medical, or family emergencies, otherwise, the student will receive a zero for attendance, participation, and work missed.**

ELECTRONIC DEVICES:

ALL cell phones / electronic devices must be PUT AWAY and SILENCED while students are in class. The use of laptop computers is permitted **ONLY** if students are using the computers to take notes or for purposes related to the class. **Attendance and/or participation points may be deducted due to unauthorized use of devices in class.**
