### **Grading:**

Projects/ Assignments.....60% of final grade  
Attendance.....30% of final grade  
If you are absent five times, your final grade will be lowered one full letter grade.

### **Statement Regarding Wearing of Face Coverings:**

To protect the health and safety of the FHSU community, when present on University property, all faculty, staff, students, and visitors must wear face coverings over their mouths and noses when in common areas of a building (including hallways, elevators, public spaces, classrooms, conference rooms, library, and other common areas), and when within six (6) feet of another individual anywhere on University property. Employees and students with a recognized disability that prevents them from wearing a face covering can contact the Human Resources office (if an employee) or Student Accessibility Services at 785-628-4401 (if a student) to discuss possible accommodations and the appropriate documentation process.

In classrooms, faculty have the right to deny a student entry into the room if the student is not wearing a face covering. Students not wearing a face covering will be reminded to do so and offered a clean face covering, if one is available. If the student does not comply, the faculty member will ask the student to leave the space, and if available, join the class remotely. As a last resort, campus police may be called. The faculty members will complete the Coronavirus (COVID-19) Concern Reporting Form and the appropriate office will look further into the issue and take the non-compliance with the request to leave into consideration of further accountability measures.

At no point should anyone put themselves into an unsafe situation while attempting to enforce the face-covering policy. FHSU campus police: 785-628-5304

### **Concealed Carry Policy:**

Under the Concealed Carry Policy, individuals who carry a concealed handgun must have the handgun on or about their person at all times. Backpacks are appropriate for carrying a handgun as long as the backpack remains within the exclusive and uninterrupted control of the individual. A backpack or other bag used to carry a handgun must be within the immediate reach of the individual. In this course, the instructor may require students to place backpacks or other bags out of reach. The instructor will notify students in advance of this requirement so a student who carries a concealed handgun in a backpack or a bag may take steps to conceal the handgun on his or her person before arriving or otherwise plan accordingly. Alternatively, this course involves a lab where metal and/or explosive devices (ammunition) are prohibited by Federal Regulations due to the nature of the lab and for safety concerns. Concealed carry handguns will need to be properly stored prior to such labs.

### **Writing Center:**

**The Writing Center is an excellent place to go for feedback on any kind of writing at any stage of the process. Located in the Forsyth Library on the main floor, the Writing Center features trained writing consultants who can help you with all aspects of your writing assignments. Drop by or make an appointment online in advance at <https://www.fhsu.edu/writingcenter/>—preferably well before the due date of your paper! The Writing Center is open 9:00am-8:00pm Monday-Thursday and 9:00am-2:00pm Friday. It's FREE.**

## **11. UNIVERSITY POLICIES**

These sanctions will be selected by appropriate classroom instructors or other designated persons consistent with the seriousness of the violation and related considerations... Students participating in any violation of this policy must accept the consequences of their actions. Classroom instructors and/or university review/appeals committees and administrators will assess the sanctions for violation of this policy. The seriousness of the violation will dictate the severity of the sanction imposed.
