Official Hospitality Payment Guidelines

Revision Date 6/15/26

FORT HAYS STATE
UNIVERSITY

Forward thinking. World ready.

Official hospitality expenditures should assist in fulfilling objectives or goals which bear a valid relationship to the powers and functions of Fort Hays State University.

Official hospitality expenditures can only be paid from the following funds: **2035 OOE, 2510 Restricted Fees, 5102 Student Union Fees, 5103 Housing System Revenue.**

State Fund	Workday Fund
2510	2040
2035	2000
5102	5010
5103	5020

Official hospitality cannot be spent from any other fund. Examples of hospitality expenditures may include food, lodging, transportation, official gifts and favors, official entertainment or directly related miscellaneous expenses provided to official guests or provided for an official function.

Food or meals provided to state employees as official hospitality are not allowed, except for:

- a meal provided at public events in which the state employee is attending in an official business capacity.
- food such as soft drinks, coffee or snack foods not offered as part of a meal.
- a meal, valued at \$40 or less, which is:
 - a. provided during a business meeting,
 - b. is not provided as a matter of personal convenience
- meals provided at an official business event or meeting which serves a legitimate state purpose or interest for which the employee's manager has authorized attendance at such event or meeting.

For additional information on the rules issued by the Kansas Governmental Ethics Commission regarding acceptance of meals and gifts by state employees, refer to [3,104 - Gratuities or Gifts to Employees](#).

REQUIRED INFORMATION

The following information is required as supporting documentation for official hospitality expenditures:

1. Itemized receipt/invoice
2. Name of function
3. Date of function
4. Name or brief description of the group attending
5. Host of the function
6. Number of guests
 - If hospitality is for a candidate interview, a list of all guests attending the function is required.
7. Purpose of the function
8. If meals are provided, a list of all state employees attending the function

ADDITIONAL POLICIES

- If hospitality is associated with travel, it must be included on the Travel Receipt Form in the Other Miscellaneous section with all hospitality information provided. The meal(s) need to be deducted from the meal allowance. **To qualify for travel hospitality, the meeting must have non-employee participant(s).**
- Departments may use official hospitality funds for retirement receptions (**food only**) for employees as long as the reception is open to the entire FHSU campus. Official hospitality funds cannot be used for employees leaving FHSU for any other reason. Retirement gifts are not allowed with State funds. [Gifts, Prizes, and Awards Guidelines](#)
- Tips on meals/food for hospitality or other events (including grant funded or fees collected) are limited to 20%. State funds cannot be used for additional tipping.
- Employee spouses attending official hospitality functions cannot be covered with State funds. Their portion of the meal/food **MUST** be paid personally.
- Alcohol is strictly prohibited with State funds

HOSPITALITY FORM

If the official hospitality expense is being paid with a p-card, supplier invoice, expense report or being ordered through Central Purchasing, a Hospitality Form must be completed. To locate the form log in to Workday and type "Hospitality Form" in the Workday search bar. A separate form must be submitted for each different function.

- **P-card**: Enter the PCV # in the Workday Expense Transaction Number field on the form. The form number must be entered in the Workday Extend Form Number Field (no spaces or dashes – FHSOP10)
- **Supplier Invoice**: Enter the N # in the Workday Expense Transaction Number field on the form. The form number must be entered in the Workday Extend Form Number Field (no spaces or dashes – FHSOP10)
- **Expense Report**: Enter the E # in the Workday Expense Transaction Number field on the form. The form number must be entered in the Workday Extend Form Number Field (no spaces or dashes – FHSOP10)
- **Central Purchasing**: Enter the CP invoice # in the Workday Expense Transaction Number field on the form. The form number must be entered in the Workday Extend Form Number Field (no spaces or dashes – FHSOP10)

HOSPITALITY PAID PERSONALLY

Employees should, when possible, pay for official hospitality with a university P-card. When this is not possible and the employee pays for the hospitality expense personally, an expense report must be submitted in Workday to reimburse the employee. For instructions on submitting the expense report, go to [Create Expense Report: FH Company - For Non-Travel Expenses](#). Select the expense item, official hospitality. The required hospitality information is provided when entering the expense report. No hospitality form is needed for expense reports.
