FHSUMAJORS.COM

Explore this free career assessment tool to pinpoint top majors at FHSU based on your academic experience, skills, and interests. It also connects you to course requirements, contact info, and related occupations for all majors.

Need help interpreting your results, schedule a Major and Career Exploration appointment for assistance.

MAJOR AND CAREER EXPLORATION Appointments

Finding the right major can be challenging; let us help.

This service connects enrolled students with a career advisor in the Career Development Office to create a personalized plan and identify resources to help you progress in major declaration or confirmation.

If process can include weekly one-on-one meetings lasting 30 to 60 minutes, spaced over 3-4 weeks for research and reflection.

WHAT CAN I DO WITH A MAJOR IN...

What Can I Do With A Major In . . . provides information sheets for each major offered at FHSU. Information sheets include a description of the major, careers that align with it, transferable skills, and additional resources that can advance your exploration of the majors.

UNIV 100: MAJOR AND CAREER EXPLORATION Course (1 hr, elective)

This class is designed to teach and guide you through the decision-making and information-gathering processes necessary for choosing your major. Through interactive assignments and career assessment tools, you will gain self-awareness and knowledge about various majors and careers.
