Requirements to Complete Before Field Experiences

These requirements are **not needed when applying for Teacher Education admission**, but must be completed before beginning field experience courses, including internships and student teaching.

- ☐ **National Background Check or Kansas Teaching License**
Verification of a clear national background check completed within six months of submission or a current, valid Kansas teaching license. FHSU considers background checks valid for four years from the date completed.
- ☐ **Negative TB Verification**
Verification of a negative TB test completed within six months of submission. FHSU considers TB verifications valid for four years from the date the test was completed.
- ☐ **Professional Liability Insurance**
Verification of active professional liability insurance coverage.

Important: You do not need to complete this section of verifications when applying for Teacher Education admission. The Office of Field Experiences will provide information on how to access ELC (Experience Learning Cloud), along with instructions for completing and submitting your required verifications when applicable.
