

# 240 Tutoring

**240 Tutoring** is a company that provides study preparation materials for certain Praxis teaching licensure exams. Once you are enrolled with **240 Tutoring**, you have immediate access to all of the materials. You will read the instructional content, use the flashcards, and answer the authentic practice questions right through the website.

There is a Diagnostic Assessment – it’s similar to a full-length practice test - that you can take whenever you want to help you identify your weakest areas (so you can study those first). At the end, there is a full-length, authentic, timed practice test. The **240 Tutoring Guarantee** allows a test taker a full money-back refund of up to 2 months of their subscription if they fail the exam after scoring 90% on their Practice Test (at the end of the study guide).

**FHSU has partnered with 240 Tutoring** to provide a discounted rate to FHSU students. If you would like to be sent an invitation for the discounted rate, contact Kerry Schuckman at [kschuckm@fhsu.edu](mailto:kschuckm@fhsu.edu). Included in the \$20/month subscription is the entire Praxis study guide catalog. To learn more: <https://www.240tutoring.com>
