# The Beginning

“Twas built by the toil of our fathers:  
To its glory our voices swell.  
Hail to old Fort Hays State!”

## This is our Heritage: This Is Fort Hays State

Fort Hays State University (FHSU) is a state, tax-assisted liberal and applied arts university established and maintained by the state to serve the people of Kansas.

The university was established to satisfy a need felt by the early settlers for educational facilities in the new region. Martin Allen, a horticulturist who came to Hays in 1873, and other Hays residents, conceived the idea of using the Fort Hays Military Reservation land, about to be abandoned by the government, for experimental and educational purposes.

The fort was abandoned in 1889. From that time until 1900, the proposal for its use was repeatedly presented to Congress by farsceeing residents of the area. In 1900 the federal government enacted legislation granting the land to the state of Kansas for a state college, an agricultural experimental station, and a state park. In 1901 the Kansas legislature accepted the grant.

On June 23, 1902, the university opened with 34 students, two faculty members, and 19 courses. For two years, sessions were held in two old buildings on the fort grounds. In 1904, the first stone building was completed on the “flats” adjacent to Hays and the young institution was moved to its present location.

The university opened as the Western Branch of the Kansas Normal School of Emporia. The curriculum for the first two years consisted of the upper two years of high school supplemented by courses in teaching methods.

After 1910, the first degree, A.B. in Education, was authorized at this time, although the degree was later changed to B.S. in Education. Liberal arts degrees of A.B. and B.S. were authorized in 1930. Graduate work leading to the master’s degree was first offered in 1929; in 1958 the university was given permission to grant the specialist in education degree.

During its years of educational service, the university has had several changes in its name. In 1914, the Hays Normal was made independent of the Emporia Normal School and its name became Fort Hays Kansas State Normal School. In 1923, the name of the university was changed to Kansas State Teachers College of Hays.

The right to confer liberal arts degrees was approved by the Board of Regents early in 1931 and the Legislature authorized the change to the name of Fort Hays Kansas State College in the same year. In 1977, the name of the university was changed to Fort Hays State University.

## COURTESY TO GRADUATES

---

The university wishes to express its appreciation to the audience for extending courtesy to each graduate. Before we begin, please be reminded that previous graduates have expressed their appreciation for the audience remaining seated and courteous.

This allows the names of all our graduates to be heard by family and friends. We ask that you please turn off your cell phone and remain seated until the end of the ceremony. Please allow all graduates of a college to return to their seats before applauding.

## SEATING

---

Seating is available for family and friends on the bleachers and in the balcony. Reservation of large sections of seating is not allowed. Seating is on a first-come, first-served basis. Security officers have been asked to monitor seating and will request the removal of any effort or materials intended to reserve seats. Please help us make seating guests a pleasant experience.

necessary, will be allowed to accompany an individual in this seating area.

Seating is available for the hearing impaired in Section C. Rebecca Luedders will act as the sign language interpreter for those guests requiring that service.

Limited seating is available for the disabled in the bleacher area on either side in front of the stage. One person, if

FIRST AID, courtesy of the Ellis County EMS, is located on the lower level at gate 2.

## PHOTOS

---

Individuals who wish to take personal pictures beyond those offered by the professional photographer may do so from an area designated on the west side of the stage. It is respectfully requested that individuals refrain from taking pictures in front of the stage and on the stage floor aisles

where the candidates are seated, as this disrupts the flow of traffic for the candidates in the commencement ceremony. Graduates and their families are welcome to use the stage after the ceremony for photos.

# SCIENCE, TECHNOLOGY AND MATHEMATICS

The Werth College of Science, Technology and Mathematics combines complementary academic programs to meet the ever-growing national need for science graduates. As a college, we have a shared mission of contemporary science education, novel educational opportunities, applied research and technical training, and community outreach. The combination of traditional and applied academic areas in a single administrative unit allowed students to directly experience the connections across science disciplines. This kind of cross-pollination created a deeper understanding as they gained foundational knowledge and technical skills.

## ARTS, HUMANITIES AND SOCIAL SCIENCES

---

Congratulations to all of this year's graduates from the faculty and staff of the College of Arts, Humanities and Social Sciences. The faculty of the 11 departments have touched the lives of most FHSU students through the General Education program, our undergraduate majors, and our graduate degrees. We have aimed to provide you with an opportunity to gain a world-class education in the classroom and in the field, so we hope you will be leaving us as knowledgeable, reflective, holistically thinking and civically engaged citizens of the world. Again, congratulations!

# COLLEGE OF EDUCATION

The College of Education takes great pride in preparing elementary and secondary teachers, school specialists in reading, library media, counseling, school administrators, and community counselors. We offer bachelor, master and education specialist degrees housed in outstanding departments focused on undergraduate and graduate teaching programs. The programs recently underwent a successful accreditation review from a joint state and national team of examiners. Innovative programs such as Transition to Teaching (an alternative path to teacher licensure) are helping ease the teacher needs in our state. Partnerships with service centers, community colleges, and school districts strengthen the mission of the College. The College has knowledgeable, caring faculty members who love to teach. They continue to share their enthusiasm for our profession while preparing professional educators for success. We are proud of the impact FHSU education graduates make in Kansas schools and beyond.

# BUSINESS AND ENTREPRENEURSHIP

The Robbins College of Business and Entrepreneurship proudly presents the business, media and technology leaders and innovators of tomorrow. These students continue a tradition of excellence and will build the reputation of Fort Hays State University through their work ethic, ability to solve problems and dedication to improving the organizations in which they work and the communities in which they live.

The faculty, staff and I offer our congratulations to these new graduates on the hard work and dedication they have applied to their studies. We commend them and celebrate with them as they take an important next step in their lives. We will support them throughout their lives in both their personal and professional endeavors and will maintain the connection and bonds established through learning and friendship.

# Health and Behavioral Sciences

The College of Health and Behavioral Sciences is home to challenging and exciting degree programs in the fields of allied health, communication sciences and disorders, health and human performance, nursing, psychology, and social work. Each department offers programs that prepare students for careers in some of the fastest-growing occupations in the United States. In addition to discipline-specific coursework, students have many opportunities to gain experience and knowledge through research projects, internships, teaching apprenticeships, service-learning activities, field trips and student exchange. Students graduate with a wealth of knowledge in their fields. They develop well-honed skills that prepare them to be practitioners, health care providers, educators, managers and policy makers destined for key roles in the health and behavioral sciences.

## HONORS AT GRADUATION

---

There are three levels of academic honors at commencement. **Summa cum laude** is awarded to graduates achieving a grade point average of 3.90 or above on their cumulative and FHSU coursework, **magna cum laude** to graduates achieving a grade point average of 3.80 to 3.89 on their cumulative and FHSU coursework, and **cum laude** to graduates achieving a grade point of 3.60 to 3.79 on their cumulative and FHSU coursework.

Each student graduating with academic honors must have attended the University for one of the last two years, and at least 60 hours must be earned in an institution offering regular upper-division credit. Honors are based on all undergraduate work completed.

# AWARDS

## PRESIDENT'S DISTINGUISHED SCHOLAR

The President's Distinguished Scholar Award was first awarded in 1989. All unclassified employees of the university are eligible for consideration each year and are evaluated for this honor by analysis of their performance in the categories of research/creative activities, service, and instruction. Acceptable levels of performance must be demonstrated in service and instruction, with the primary focus of this award being on research/creative activities. Applications are reviewed by an evaluation committee and a recommendation is forwarded to the president of the university.

The honoree presents a scholarly lecture during the President's Distinguished Scholar program. The awardee is recognized on a plaque displayed in the Memorial Union, given a certificate, specially-designed medallion, and receives a monetary acknowledgement.

## NAVIGATOR AWARD

The Navigator Award was established in 1998 by the Student Government Association to recognize an outstanding academic advisor based on how closely the advisor adheres to the university goals for academic advising. All academic advisors are eligible for this award. Past award recipients will become eligible after a five-year waiting period. Candidates are nominated, interviewed, and selected by graduating seniors.

## PILOT AWARD

The prestigious Pilot Award, established by the Alumni Association in 1974, annually recognized two outstanding faculty members, one male and one female. Full-time teaching faculty became eligible after two years of continuous service on the campus of Fort Hays State University. In 1997, the awards committee of the Alumni Association Board of Directors revised the criteria so that any teaching faculty member would be eligible after three years of continuous service to FHSU. The award was to be given to one faculty member irrespective of gender rather than two. Candidates are nominated by members of the graduating senior class on the basis of professional excellence and commitment to outstanding teaching. The recipient is chosen by a committee of seniors, faculty, and Alumni Association Board members.

## TORCH AWARD

The coveted Torch Award was established in 1974 by the Alumni Association to recognize one male and one female outstanding senior. In 1991, the awards committee of the Alumni Association Board of Directors revised the criteria to recommend the selection of one senior recipient. Candidates are nominated by members of the faculty on the basis of leadership and academic excellence. A committee of faculty, administrators, and Alumni Association Board members selects the recipient.

# ACADEMIC HISTORY

## HISTORY OF COMMENCEMENT

---

The First Annual Commencement took place on July 2, 1903 at the Grand Army of the Republic Hall in Hays, after being postponed from May 1903 because one of the graduates could not get back to Hays from Emporia. Flooding prevented the train from making its trip.

Freda Schwaller, Fred E. Lindley and Ida Shaffer were the first graduates of the Western Branch of the Kansas State Normal School.

Final exams and commencement were cancelled in May 1951 after a flood hit the campus on May 22. The graduates were honored at the summer school commencement later that year.

Through the years, commencement exercises have been held in Sheridan Coliseum, Lewis Field and Gross Memorial Coliseum.

## HISTORY OF THE ACADEMIC MACE

---

The mace has an ancient history as a symbol of authority. In medieval times it was a studded, clublike weapon. Made of iron and capable of breaking armor, these giant clubs were chiefly used by knights. They were also often borne by a royal bodyguard to protect the king in processions.

By the 14th century, maces assumed more ceremonial functions and lost their warlike appearance. They were often decorated with jewels and precious metals. The ceremonial mace stands for lawful power and regal authority.

Eventually the mace also became a symbol for academic institutions, an emblem of order and authority in the pageantry of ceremonial occasions. The first dated record of the ceremonial academic mace goes back to 1385 at the University of Vienna.

An academic mace is traditionally carried in procession and mounted on stage whenever degrees are granted or when the faculty is assembled in formal academic dress. During commencement ceremonies at Fort Hays State University, a mace is carried by the University Registrar before the president and other dignitaries in the platform party.

The Fort Hays State University mace was designed and crafted by Mr. Dale Ficken, Associate Professor of Art, in late August - September 1969 for the inauguration of Dr. John W. Gustad, the fifth president in the history of Fort Hays State University, on October 5, 1969.

## THE SONGS OF FHSU

---

In the history of FHSU, there have been five different songs that were adopted by general usage.

The words and music of the first song, the Kansas State Teacher's College Hymn, were written by Pearl Sidenius, who was a member of the faculty from 1915 to 1917.

Some years later, Dr. Rob Roy Macgregor, 1928-1935 faculty member, wrote the words of a College Anthem which was sung to the tune of "Men of Harlech." Jack Juergens, a music faculty member from 1948 to 1951,

wrote the words and music of the University Anthem, the third of the songs to be used as the Alma Mater.

The fourth song is the University Hymn written by Dr. Donald Stout, who conducted choirs at FHSU for 36 years. The song, originally titled "A Song for Fort Hays," is sung and played by the choirs and bands of FHSU.

The fifth song, University Fight Song, used in athletic contests, is an adaptation of the Northwestern University fight song.

## UNIVERSITY COLORS

---

Soon after President Lewis came to the campus, he suggested that since the official color of the school was old gold (from the previous connection with the Normal School at Emporia) the school ought to adopt an additional color to distinguish it from Emporia. The color suggested

was black. This would give the school the colors of gold and black, which would enable it to adopt the tiger as its athletic symbol. President Lewis was from Missouri, where he was, of course, loyal to the Missouri "Tigers."

## ACADEMIC REGALIA

The academic apparel worn at commencement ceremonies has its origins in the 12th and 13th centuries when scholars (whether student or teacher) at European universities wore hoods and gowns as their customary, daily attire. The long gowns may have been necessary for warmth in unheated buildings. Since there was a close tie between early universities and the Church, it is not surprising that academic gowns resembled cassocks and elaborate clerical vestments. The American fashion of academic caps and gowns derives mainly from the gowns worn at Oxford University.

The bachelor's gown is primarily distinguished by its long pointed sleeves. The master's gown is similar, except for having oblong sleeves from which the forearm protrudes through a slit near the elbow. The doctor's gown has rounded sleeves and also has velvet panels around the neck and down the front of the gown, as well as three velvet bars on the sleeves.

Hoods are typically worn with the master's and doctoral gowns. Hoods are permitted to be worn with the bachelor's gown, but it is customary in many large institutions to dispense with the hood.

Originally, the hood was used as a cowl, cape, and—when hung from the shoulder—a sack to collect alms. It is said that when large wigs were in fashion, the cap section of the hood then fell back clear of the wig. This hood style continues to today, with the narrow end of the hood shaped as a neckband connecting the two halves of the cape.

For all academic purposes, these colors are associated with the different academic disciplines:

Agriculture- Maize	Forestry- Russett	Philosophy- Dark Blue
Arts, Letters, Humanities- White	Journalism- Crimson	Physical Education- Sage Green
Commerce, Accountancy, Business- Drab	Law- Purple	Public Admin., Foreign Service- Peacock Blue
Dentistry- Lilac	Library Sciences- Lemon	Public Health- Salmon
Economics- Copper	Medicine- Green	Science- Golden Yellow
Education- Light Blue	Music- Pink	Social Work- Citron
Engineering- Orange	Nursing- Apricot	Theology- Scarlet
Fine Arts, Architecture- Brown	Oratory (Speech)- Silver Gray	Veterinary Science- Gray
	Pharmacy- Olive Green	

The traditional cap is the mortarboard with black cloth cover. Although it came into popular use in the 16th Century, its origins are clouded. Some believe it is shaped to resemble a book; others claim it is patterned after the mortarboard of a master craftsman or the quadrangle shape of an Oxford campus. The mortarboard has a long tassel that is fastened by a button on the top. The tassel worn at some institutions reflects the color representing the degree earned. However, the tassel worn at Fort Hays State University represents the traditional colors of the university: black and gold.

Like the gown, the hood differs for the various degrees. The doctor's hood is the longest and is a fuller shape than the master's hood and is usually bordered with velvet, the color of which indicates the kind of degree. The hood is lined with silk in the colors of the institution that granted the degree. The edging of the hood is velvet or velveteen, three inches wide for the master's hood and five inches wide for the doctor's hood. The traditional rule is that a candidate for a degree should not wear the hood of that degree until it is actually conferred.

The assignment of colors to signify certain degrees was a later development and was standardized in the United States in the late 19th century. A significant contribution to the development of this system was made by Gardner Cotrell Leonard of Albany, New York. Mr. Leonard designed gowns for his class at Williams College.

Following the publication of an article by him on academic dress in 1893, he was invited to work with an Intercollegiate Commission consisting of representatives of leading institutions of higher education to establish a suitable system of academic apparel.

In 1932 the American Council on Education (ACE) reviewed and approved the code of academic dress. In 1959 and 1986, the ACE reviewed the costume code and made several changes.

## SYMBOLS

### UNIVERSITY SEAL

---

The circular seal was originally adopted in 1934. The artist who designed it was Marjorie Meade Jacobs.

The college was established on the old Fort Hays military reservation. The building depicted in the seal is the old stone block house, which was a part of the fort. In typical fashion for the building, the seal features a flag pole and hills in the background.

In 1992, it was updated for digital purposes by FHSU Creative Director Mary Ridgway.

The university seal is exclusively reserved for official documents such as diplomas, transcripts, certificates and ceremonial recognition gifts.

### BANNERS AND FLAGS

---

During the processional, a representative from each college carries a banner stating the college's name. The banner signifies the division of the university colleges. Flags are displayed during the ceremonies in recognition of the graduates' countries of origin. For 2017, the following countries are represented among FHSU graduates:

Bahamas	India	Paraguay	Turkey
Bangladesh	Kenya	Poland	Yemen
Bermuda	Malaysia	Puerto Rico	United States
Brazil	Mexico	Saudi Arabia	
Canada	Nepal	South Africa	
China	Nigeria	South Korea	
Gambia	Norway	Spain	
Germany	Pakistan	St. Kitts and Nevis	
Hungary	Palestine	Tanzania	

Military flags are also displayed in recognition of those graduates who have served or are currently serving in the armed forces.

### PRESIDENT'S MEDALLION

---

In 1969, Dr. John W. Gustad approached Mr. John Thorns, art faculty member, concerning FHSU's lack of symbols connected with the formality of office, such as a medallion or mace. To rectify this, Gustad commissioned the Department of Art and Design to create three items for his presidential inauguration: a mace, a relief statue and a presidential medallion.

The mace, created by Mr. Dale Ficken, is typically used for ceremonial purposes. More information on the mace can be found in previous sections of the program. Mr. Jim Hinkhouse designed the relief sculpture, second of the three symbols, which was placed at the back of the room during Gustad's inauguration. This sculpture has since been destroyed.

The presidential medallion was fashioned by Mr. Olli Valanne. Made of silver, this piece of jewelry features a unique design. According to Thorns, the medallion was created "in recognition of the individual who is president." It is to be used in conjunction with all academic affairs and is worn any time the president of the university wears the academic regalia. In 2014 Todd Voth, FHSU graduate, created a special chain from which the medallion hangs. The chain is adorned by nameplates engraved with the names of former presidents of the university.

The medallion has been passed down to each consecutive president after Gustad and will continue to represent the leadership and FHSU in the future.

# ABOUT OUR STUDENTS

## ON CAMPUS STUDENTS

---

Fort Hays State University's physical campus is home to an increasingly rich mix of traditional age (18-24 years) and non-traditional age (25-55 years) students from a variety of ethnic, social and cultural backgrounds. Many of the approximately 4,800 on-campus learners are from Kansas, Colorado, Nebraska and the Midwest with a growing number of international students helping to enrich the traditional learning environment.

## FIRST GENERATION COLLEGE STUDENTS

---

Fort Hays State University prides itself on first generation college students. An individual can claim first generation student status if neither one of his or her parents, guardians or siblings possess a four-year degree.

## VIRTUAL COLLEGE STUDENTS

---

Students who study at a distance using various forms of technology sometimes blended with face-to-face learning approaches are defined as Virtual College students. Sometimes, on-campus students take one or more virtual courses to complement their on-campus learning experience. FHSU uses the virtual learning environment as a strategic asset to offer complete degrees or help retain students, increase graduation rates and deliver professional development training. In addition, this type of learning experience may be used to help internationalize the campus and the curriculum through global delivery of courses and programs. The university's Virtual College is the delivery vehicle for both domestic and international programming from each of the five academic colleges.

## MILITARY/VETERAN STUDENTS

---

There are military programs for both active and inactive military personnel and their spouses. These courses are offered through the Virtual College, providing flexibility to meet the needs of our servicemen and servicewomen.

The following branches of the military are currently represented at FHSU: Army National Guard Institute, Coast Guard Institute, Community College of the Air Force, ConAP, DANTES, GoArmyEd, Navy College Partnership Distance Learning Partnership, SOCAD, SOCCOAST, SOCCOAST Afloat Institutional Partnership, SOCMAR and SOCNAV.

## INTERNATIONAL STUDENTS

---

Fort Hays State University hosts approximately 400 on-campus international students each year from over 32 countries. International students are fully blended into the classroom setting, allowing for a greater level of cultural awareness campuswide. This is increasingly important in reinforcing the university's brand of "Forward thinking, World ready."

The countries currently represented on the campus of FHSU are: Algeria, Australia, Bahamas, Brazil, Cameroon, Canada, Chile, China, Colombia, Croatia, France, Germany, Hong Kong, Indonesia, Japan, Madagascar, Mongolia, Nigeria, Paraguay, Peru, Philippines, Republic of Guinea, Russian Federation, Saudi Arabia, Slovenia, South Korea, Vietnam, Sweden, Tanzania, Taiwan, Thailand, Trinidad/Tobago, Turkey, Uganda, United Arab Emirates, United Kingdom of Great Britain and Northern Ireland, Venezuela and Zambia.

## INTERNATIONAL PARTNERSHIPS

---

Fort Hays State University was the first American university to be approved by the Ministry of Education of the People's Republic of China to offer dual bachelor's degrees under the framework of the Sino-Foreign University of Cooperation in Running Schools.

In Fall 2000, FHSU began offering courses in mainland China to 40 students.

Currently, FHSU is serving over 3,100 students at Sias International University in Xinzheng, Henan, and Shenyang Normal University in Shenyang, Liaoning, China. Chinese students complete the degrees in their home country and FHSU conducts a similar graduation at these partner universities.

## CONGRATULATIONS

The FHSU Alumni Association is proud to welcome all members of the Class of 2017 as new Bronze Tiger members of the Alumni Association. You will receive e-mail notification about your new membership status upon verification of your graduation from the university. Your complimentary benefits include receipt of FHSU-TigerTalk, the monthly e-newsletter, access to the online alumni directory, and more!

Want to stay better connected to FHSU and keep abreast of all the excitement in store for the future growth of the university? Consider purchasing an alumni membership with the Alumni Association. Paid members receive many more on and off campus benefits and discounts including all issues of the university magazine, ROAR • Tiger Credit Card • Discounts on local and national hotels and rental cars • Tiger merchandise discounts • University Bookstore discount • Sternberg Museum discount • Athletic tickets discount • Local/regional alumni chapters • Global travel programs • Access to FHSU Career Services • FHSU Forsyth Library privileges • Invitation to special events and so much more!

The Alumni Association wishes you well in your future endeavors. Wherever your career takes you, please stay in touch with your alma mater. As a new graduate of FHSU, you will become part of a worldwide network of more than 63,000 alumni. Wherever you go, you are always close to Tiger alumni and friends, and we want to ensure that you know about all alumni gatherings in your neighborhood. For more information, contact the Alumni Association by e-mail at [alumni@fhsu.edu](mailto:alumni@fhsu.edu) or by phone at 785-628-4430 or toll free at 1-888-351-3591. Visit the Alumni Association's website at [www.goforthaysstate.com](http://www.goforthaysstate.com), or stop by Gate 2 today to see our selection of commencement gifts and Class of 2017 t-shirts.

Again, congratulations on your graduation and best wishes in future endeavors from your alma mater!

Congratulations class of 2017 from your FHSU Foundation!

Did you know that tuition and state funding only covered 58% of FHSU's operating budget this school year? The remaining 42% of this comes from sources such as grants and private gifts from alumni and friends. We hope you return the favor by making a gift in honor of those individuals who supported you. For more information, please visit <http://foundation.fhsu.edu> or call 785-628-5620.

A special thank you to everyone who helped  
make this year's commencement ceremonies a success.

Without you, we wouldn't be able to  
keep things running smoothly and efficiently.

Thank you for your time and dedication  
to making this a memorable event  
for the newest Fort Hays State University alumni.
