COURTESY TO GRADUATES

The university wishes to express its appreciation to the audience for extending courtesy to each graduate.

The university wishes to acknowledge in advance your courtesy for not shouting or applauding as the candidates' names are read. Graduates in the past have expressed their appreciation for the audience remaining seated and showing courtesy so the names of the individual graduates can be heard by their family and friends.

Please hold your applause until all the graduates of a college have returned to their seats.

COMMENCEMENT PICTURES

Individuals who wish to take personal pictures beyond those offered by the professional photographer may do so from an area designated on either side of the stage. It is respectfully requested individuals refrain from taking pictures in front of the stage and on the stage floor aisles where the candidates are seated as this disrupts the flow of traffic for the candidates in the commencement ceremony. Graduates and their families are welcome to use the stage after the ceremony for photographic opportunities.

UNIVERSITY ANTHEM

On the plains of Western Kansas
Stands a school we all love well.
'Twas built by the toil of our fathers;
To its glory our voices swell.

Chorus:

Hail to old Fort Hays State!
Let your voices ring.
Praise for the Black and Gold
We will ever sing.
Long may our valor last
Through the future days,
Hon’ring and praising
Dear Fort Hays.

In the years that lie before us
We foresee our land’s many needs.
Through the efforts of new generations,
We’ll go on to more noble deeds.

CHARGE TO THE GRADUATES

Commencement, May 12, 2007

Today you become a member of a select group of men and women numbering in the thousands — graduates of Fort Hays State University. Remember the university kindly, for it gave you several years of its very best.

The commencement exercise does not mean a severance of your tie to us or the university’s tie to you. Like a good parent, its love and concern will always be with you, ready to help you in any way possible. Commencement does mean the beginning of a lifetime association with your university, and not only will the university stand with you, but it also looks to you as a torchbearer and the promoter of its spirit.

Although we are proud of the beauty of our physical campus, its buildings, grounds, and facilities, we take even more pride in our faculty, staff, and students. Fort Hays State University is much more than is discernible at any one time. Your university consists of all those who come into its environment, are touched by its concern, its influence, and those who carry forward its spirit. Wherever you go and whatever you achieve, there is Fort Hays State University at work. If the light of our university continues to shine, it must shine through you and all those who have walked our halls, sat in our classrooms, and were a part of our total campus community.

With a great deal of confidence, we welcome you into this fellowship. We are not here to say “goodbye,” but rather we say “till we meet again.” We do not intend to sever the ties; you may go forth, but not totally away from us. We will always claim you, and we hope you feel the same way about those of us who remain. God be with you and with all of us.

HONORS AT GRADUATION

There will be three levels of academic honors at graduation: cum laude, magna cum laude, and summa cum laude.

Cum Laude: Achievement of a cumulative grade point of 3.60 to 3.79 and 3.60 to 3.79 on FHSU coursework.

Magna Cum Laude: Achievement of a cumulative grade point of 3.80 to 3.89 and 3.80 to 3.89 on FHSU coursework.

Summa Cum Laude: Achievement of a cumulative grade point of 3.90 or above and 3.90 or above on FHSU coursework.

Each student graduating with academic honors must have attended the university for one of the last two years, and at least 60 hours must be earned in an institution offering regular upper-division credit.

While honors will be listed in the commencement program for those who may reasonably anticipate them, the listing on the program is not a guarantee of receiving honors. The listing and reading of honors for spring degree candidates are based on the grade indexes achieved at the beginning of the student’s final semester. The official honor awarded based on final grade indexes will be noted on the student’s diploma and transcript.

PRESIDENT’S DISTINGUISHED SCHOLAR AWARD

The President’s Distinguished Scholar Award was first awarded in 1989. All unclassified employees of the university are eligible for consideration each year and are evaluated for this honor by analysis of their performance in the categories of research/creative activities, service, and instruction. Acceptable levels of performance must be demonstrated in service and instruction, with the primary focus of this award being on research/creative activities. Applications are reviewed by an evaluation committee and a recommendation is forwarded to the president of the university.

The honoree presents a scholarly lecture during the Honors Convocation, is recognized on a plaque displayed in the Memorial Union, is given a certificate, lapel pin, specially-designed medallion, and receives a monetary acknowledgement.

NAVIGATOR AWARD

The Navigator Award was established in 1998 by the Student Government Association to recognize an outstanding academic advisor based on how closely she or he adheres to the university goals for academic advising. All academic advisors are eligible for this award. Past award recipients will become eligible after a five-year waiting period. Candidates are nominated, interviewed, and selected by graduating seniors.

**PILOT AWARD**

The prestigious Pilot Award, established by the Alumni Association in 1974, annually recognized two outstanding faculty members, one male and one female. Full-time teaching faculty became eligible after two years of continuous service on the campus of Fort Hays State University. In 1997, the awards committee of the Alumni Association Board of Directors revised the criteria so that any teaching faculty member would be eligible after three years of continuous service to FHSU, and past recipients would be eligible to receive this honor again after a five-year waiting period. Also, the award was to be given to one faculty member rather than two. Candidates are nominated by members of the graduating senior class on the basis of professional excellence and commitment to good teaching. The recipient is chosen by a committee of seniors, faculty, and Alumni Association Board members.

**TORCH AWARD**

The coveted Torch Award was established in 1974 by the Alumni Association to recognize one male and one female outstanding senior. In 1991, the awards committee of the Alumni Association Board of Directors revised the criteria to recommend the selection of one senior recipient. Candidates are nominated by members of the faculty on the basis of leadership and academic excellence. A committee of faculty, administrators, and Alumni Association Board members selects the recipient.

ABOUT THIS BUILDING

Gross Memorial Coliseum, the building in which you are sitting, is the site for all indoor athletics, some concerts, and many additional activities.

GMC was formally dedicated September 22, 1973. It is part of a two-unit, multi-use complex. M.C. Cunningham Hall, just to the south of this structure, is home for the health and human performance and allied health programs. The two units comprise 246,214 square feet of space. This complex cost $7.4 million to construct and was just over two years in building.

GMC seats approximately 7,000 persons for athletic contests. With the addition of chairs on the floor, about 9,000 can enjoy a concert.

The floor of GMC is maple wood. The track is one-tenth of a mile in length. A spacious pressbox is located above the floor on the west side, and a complete stage area for special programs is located on the north end of the floor. Concession areas and restrooms are abundant.

This is an air-cooled (not air-conditioned) building which, from the floor to the top of the structure, measures about five stories high. The complex is located on the western edge of the campus on Highway 40 bypass.
The students whose names are listed herein were considered candidates for the degrees indicated when
the program was printed. This is not an official degree list. The appropriate diplomas will be issued to candidates
who successfully completed all requirements by the end of spring term.

FIRST AID, courtesy of the Student Health Center, is located in the Training Room on the lower
level between gates 1 and 2.

Acknowledgement to Mortar Board for distribution of commencement programs.
Congratulations

The Fort Hays State University’s Alumni Association welcomes all members of the Class of 2007 on their successful transition from student to Fort Hays State University alumnus! The association proudly invites you to join its ranks of more than 41,000 who live throughout the United States and 64 foreign countries with a special graduation gift – a **FREE** six-month FHSU Alumni Association membership beginning August 1, 2007.

Through membership, you will receive numerous benefits including the _FHSU Magazine_, Tiger screen savers, FHSU e-mail cards, _FHSU-TigerTalk_, special event invitations and discounts, athletic tickets, discounts on Tiger merchandise and Sternberg Museum Gift Shop as well as alumni toll free access. Association members also enjoy discounts on automobile rentals, Hays area and worldwide hotels, North American Van Lines and automobile insurance in addition to a lifetime e-mail forwarding service and access to FHSU Career Services.

As you celebrate your accomplishments during this most special time in life, please remember that the Alumni Association stands ready to nurture a lifelong relationship between you and the university, its alumni, faculty, staff and students. Feel free to call us toll free at 1-888-351-3591 any time we might be of assistance. Again, congratulations and best wishes from your “alma mater”!
COURTESY TO GRADUATES

The university wishes to express its appreciation to the audience for extending courtesy to each graduate.

The university wishes to acknowledge in advance your courtesy for not shouting or applauding as the candidates’ names are read. Graduates in the past have expressed their appreciation for the audience remaining seated and showing courtesy so the names of the individual graduates can be heard by their family and friends.

Please hold your applause until all the graduates of a college have returned to their seats.

COMMENCEMENT PICTURES

Individuals who wish to take personal pictures beyond those offered by the professional photographer may do so from an area designated on either side of the stage. It is respectfully requested individuals refrain from taking pictures in front of the stage and on the stage floor aisles where the candidates are seated as this disrupts the flow of traffic for the candidates in the commencement ceremony. Graduates and their families are welcome to use the stage after the ceremony for photographic opportunities.

UNIVERSITY ANTHEM

On the plains of Western Kansas
Stands a school we all love well.
‘Twas built by the toil of our fathers;
To its glory our voices swell.

Chorus:

Hail to old Fort Hays State!
Let your voices ring.
Praise for the Black and Gold
We will ever sing.

Long may our valor last
Through the future days,
Hon’ring and praising
Dear Fort Hays.

In the years that lie before us
We foresee our land’s many needs.
Through the efforts of new generations,
We’ll go on to more noble deeds.
