# THE BEGINNING

---

“Twas built by the toil of our fathers:  
To its glory our voices swell.  
Hail to old Fort Hays State!”

---

## This is our Heritage: This is Fort Hays State

Fort Hays State University (FHSU) is a state, tax-assisted liberal and applied arts university established and maintained by the state to serve the people of Kansas.

The university was established to satisfy a need felt by the early settlers for educational facilities in the new region. Martin Allen, a horticulturist who came to Hays in 1873, and other Hays residents, conceived the idea of using the Fort Hays Military Reservation land, about to be abandoned by the government, for experimental and educational purposes.

The fort was abandoned in 1889. From that time until 1900, the proposal for its use was repeatedly presented to Congress by farseeing residents of the area. In 1900, the federal government enacted legislation granting the land to the state of Kansas for a state college, an agricultural experimental station, and a state park. In 1901, the Kansas legislature accepted the grant.

On June 23, 1902, the university opened with 34 students, two faculty members, and 19 courses. For two years, sessions were held in two old buildings on the fort grounds. In 1904, the first stone building was completed on the “flats” adjacent to Hays and the young institution was moved to its present location.

The university opened as the Western Branch of the Kansas Normal School of Emporia. The curriculum for the first two years consisted of the upper two years of high school supplemented by courses in teaching methods.

After 1910, the first degree, A.B. in Education, was authorized at this time, although the degree was later changed to B.S. in Education. Liberal arts degrees of A.B. and B.S. were authorized in 1930. Graduate work leading to the master’s degree was first offered in 1929; in 1958 the university was given permission to grant the specialist in education degree. A doctoral program in nursing practice was approved May 2015 for Fort Hays State University by the Kansas Board of Regents. It is the university’s first doctoral program.

During its years of educational service, the university has had several changes in its name. In 1914, the Hays Normal was made independent of the Emporia Normal School and its name became Fort Hays Kansas State Normal School. In 1923, the name of the university was changed to Kansas State Teachers College of Hays.

The right to confer liberal arts degrees was approved by the Board of Regents early in 1931 and the Legislature authorized the change to the name of Fort Hays Kansas State College in the same year. In 1977, the name of the university was changed to Fort Hays State University.

# FOR OUR GUESTS

## SEATING

---

Upon entering Gross Memorial Coliseum (GMC), guests will be directed to balcony seating. The elevator is accessible by Gate 3. There will be no general seating on the GMC floor. Exceptions will be made for guests unable to use balcony seating. A commencement staff member will escort the individual(s) and one guest to the accessible seating area on the GMC floor.

## COURTESY TO GRADUATES

---

The university wishes to express its appreciation to the audience for extending courtesy to each graduate. Please be reminded that previous graduates have expressed their appreciation for the audience remaining seated and courteous. This allows the names of all our graduates to be heard by family and friends. We ask that you please turn off your cell phone and remain seated until the end of the ceremony. Please allow all graduates of a college to return to their seats before applauding.

## PHOTOS

---

Photographers from GradImages will take individual photos as each graduate crosses the stage and with the university president. Proofs and forms for ordering will be mailed by GradImages to each candidate after Commencement. Please allow up to five business days for mailing. There is no obligation to purchase photos.

Only press and official university photographers with passes will be allowed to take photos in front of the stage.

Photo backdrops are available for use by guests and graduates between Gates 2 and 3 on the outside of Gross Memorial Coliseum.

## FIRST AID

---

FIRST AID, courtesy of the Ellis County EMS, is located on the lower level at Gate 2.

## LOST AND FOUND

---

The lost and found is located in Room 170, on the lower level near Gate 3. Call 785-628-4199 if you discover a missing item post-Commencement.

## AFTER THE CEREMONY

---

Due to multiple ceremonies taking place on the same day, the university is requesting all graduates and guests exit the Coliseum promptly after the ceremony. This will allow the event staff to begin cleaning the area and setting up for the next event.

# ROBBINS COLLEGE OF BUSINESS AND ENTREPRENEURSHIP

The Robbins College of Business and Entrepreneurship proudly presents the business, media and technology leaders and innovators of tomorrow. These students continue a tradition of excellence and will build the reputation of Fort Hays State University through their work ethic, ability to solve problems and dedication to improving the organizations in which they work and the communities in which they live. The faculty, staff and I offer our congratulations to these new graduates on the hard work and dedication they have applied to their studies. We will support them throughout their lives in both their personal and professional endeavors and will maintain the connection and bonds established through learning and friendship.

# WERTH COLLEGE OF SCIENCE, TECHNOLOGY AND MATHEMATICS

The Werth College of Science, Technology and Mathematics is home to a wide range of theoretical and applied disciplines that help students achieve their goals related to pursuing graduate and professional schools or joining the work force. We have a shared vision of continuous improvement and collaboration that lead to better opportunities for our students and communities. Through experiential learning like undergraduate research, study abroad, internships, and attendance at national professional conferences, our students are starting their careers early in their curriculum rather than after graduation.

# COLLEGE OF HEALTH AND BEHAVIORAL SCIENCES

The College of Health and Behavioral Sciences is home to challenging and exciting degree programs in the fields of allied health, communication sciences and disorders, health and human performance, nursing, psychology, and social work. Each department offers programs that prepare students for careers in some of the fastest-growing occupations in the United States. In addition to discipline-specific coursework, students have many opportunities to gain experience and knowledge through research projects, internships, teaching apprenticeships, service-learning activities, field trips and student exchange. Students graduate with a wealth of knowledge in their fields. They develop well-honed skills that prepare them to be practitioners, health care providers, educators, managers and policy makers destined for key roles in the health and behavioral sciences.

# COLLEGE OF EDUCATION

The College of Education is committed to preparing exceptional educators and school leaders who make a lasting impact in classrooms and communities. Our programs equip future elementary and secondary teachers, reading specialists, library media specialists, counselors, school administrators, special educators, and instructional technology specialists with the knowledge and skills needed for success. We offer bachelor's, master's, and education specialist degrees through outstanding departments dedicated to undergraduate and graduate education excellence. Our innovative initiatives—such as the Transition to Teaching for K-12, Registered Teaching Apprenticeship, and Special Education Limited Residency programs—provide alternative pathways to teacher licensure, helping to meet the growing demand for educators and counselors in Kansas. At the heart of our college is a distinguished faculty of passionate, experienced educators who are deeply committed to their students' success. Their dedication and expertise continue to shape the next generation of professional educators and counselors. We take great pride in the achievements of graduates from the FHSU College of Education, whose contributions enrich schools across Kansas and beyond.

# HONORS AT GRADUATION

There are three levels of academic honors at commencement. **Summa cum laude** is awarded to graduates achieving a grade point average of 3.90 or above on their cumulative and FHSU coursework, **magna cum laude** to graduates achieving a grade point average of 3.80 to 3.89 on their cumulative and FHSU coursework, and **cum laude** to graduates achieving a grade point of 3.60 to 3.79 on their cumulative and FHSU coursework.

Each student graduating with academic honors must have attended and completed at least 30 credit hours from Fort Hays State University. Honors are based on both the candidate's cumulative and Fort Hays State University grade point average (GPA).

While honors will be listed in the commencement program for those who may reasonably anticipate them, the listing in the program is not a guarantee of receiving honors. The listing and reading of honors for degree candidates are based on the final grade indexes achieved at the beginning of the student's final semester. The official honor awarded based on final grade indexes will be noted on the student's diploma and transcript.

# AWARDS

## PRESIDENT'S DISTINGUISHED SCHOLAR AWARD

The President's Distinguished Scholar Award was first awarded in 1989. All unclassified employees of the university are eligible for consideration each year and are evaluated for this honor by analysis of their performance in the categories of research/creative activities, service, and instruction. Acceptable levels of performance must be demonstrated in service and instruction, with the primary focus of this award being on research/creative activities. Applications are reviewed by an evaluation committee and a recommendation is forwarded to the president of the university.

The honoree presents a scholarly lecture during the President's Distinguished Scholar program. The awardee is recognized on a plaque displayed in the Memorial Union, given a certificate, specially designed medallion and receives a monetary acknowledgment.

## NAVIGATOR AWARD

The Navigator Award was established in 1998 by the Student Government Association to recognize an outstanding academic advisor based on how closely the advisor adheres to the university goals for academic advising. All academic advisors are eligible for this award. Past award recipients will become eligible after a five-year waiting period. Candidates are nominated, interviewed, and selected by graduating seniors.

## PILOT AWARD

The prestigious Pilot Award was established in 1974 to recognize outstanding an outstanding faculty member. Any teaching faculty member is eligible after three years of continuous service to FHSU. Candidates are nominated by members of the graduating senior class based on professional excellence and commitment to outstanding teaching. The recipient is selected by a committee of seniors, faculty, and Alumni Office representatives.

# ACADEMIC HISTORY

## HISTORY OF COMMENCEMENT

---

The First Annual Commencement took place on July 2, 1903 at the Grand Army of the Republic Hall in Hays, after being postponed from May 1903 because one of the graduates could not get back to Hays from Emporia. Flooding prevented the train from making its trip.

Freda Schwaller, Fred E. Lindley and Ida Shaffer were the first graduates of the Western Branch of the Kansas State Normal School.

Final exams and commencement were canceled in May 1951 after a flood hit the campus on May 22. The graduates were honored at the summer school commencement later that year.

Through the years, commencement exercises have been held in Sheridan Coliseum, Lewis Field, Gross Memorial Coliseum, and virtually.

## HISTORY OF THE ACADEMIC MACE

---

The mace has an ancient history as a symbol of authority. In medieval times it was a studded, club-like weapon. Made of iron and capable of breaking armor, these giant clubs were chiefly used by knights. They were also often borne by a royal bodyguard to protect the king in processions.

By the 14th century, maces assumed more ceremonial functions and lost their warlike appearance. They were often decorated with jewels and precious metals. The ceremonial mace stands for lawful power and regal authority.

Eventually the mace also became a symbol for academic institutions, an emblem of order and authority in the pageantry of ceremonial occasions. The first dated record of the

ceremonial academic mace goes back to 1385 at the University of Vienna.

An academic mace is traditionally carried in procession and mounted on stage whenever degrees are granted or when the faculty is assembled in formal academic dress. During commencement ceremonies at Fort Hays State University, a mace is carried by the University Registrar before the president and other dignitaries in the platform party.

The Fort Hays State University mace was designed and crafted by Mr. Dale Ficken, Associate Professor of Art, in late August-September 1969 for the inauguration of Dr. John W. Gustad, the fifth president in the history of Fort Hays State University, on October 5, 1969.

## THE SONGS OF FHSU

---

In the history of FHSU, there have been five different songs that were adopted by general usage.

The words and music of the first song, the Kansas State Teacher's College Hymn, were written by Pearl Sidenius, who was a member of the faculty from 1915 to 1917.

Some years later, Dr. Rob Roy Macgregor, 1928-1935 faculty member, wrote the words of a College Anthem which was sung to the tune of "Men of Harlech." Jack Juergens, a music faculty

member from 1948 to 1951, wrote the words and music of the University Anthem, the third of the songs to be used as the Alma Mater.

The fourth song is the University Hymn written by Dr. Donald Stout, who conducted choirs at FHSU for 36 years. The song, originally titled "A Song for Fort Hays," is sung and played by the choirs and bands of FHSU.

The fifth song, University Fight Song, used in athletic contests, is an adaptation of the Northwestern University fight song.

## UNIVERSITY COLORS

---

Soon after President Lewis came to the campus, he suggested that since the official color of the school was old gold (from the previous connection with the Normal School at Emporia) the school ought to adopt an additional color to distinguish it from Emporia.

The color suggested was black. This would give the school the colors of gold and black, which would enable it to adopt the tiger as its athletic symbol. President Lewis was from Missouri, where he was, of course, loyal to the Missouri "Tigers."

## ACADEMIC REGALIA

The academic apparel worn at commencement ceremonies has its origins in the 12th and 13th centuries when scholars (whether student or teacher) at European universities wore hoods and gowns as their customary, daily attire. The long gowns may have been necessary for warmth in unheated buildings. Since there was a close tie between early universities and the Church, it is not surprising that academic gowns resembled cassocks and elaborate clerical vestments. The American fashion of academic caps and gowns derives mainly from the gowns worn at Oxford University.

The traditional cap is the mortarboard with black cloth cover. The tassel worn at some institutions reflects the color representing the degree earned. The tassel worn at Fort Hays State University represents the traditional colors of the university: black and gold.

The bachelor's gown is primarily distinguished by its long pointed sleeves. The master's gown is similar, except for having oblong sleeves from which the forearm protrudes through a slit near the elbow. The doctoral's gown has rounded sleeves and also has velvet panels around the neck and down the front of the gown, as well as three velvet bars on the sleeves.

Hoods are typically worn with the master's and doctoral gowns. Hoods are permitted to be worn with the bachelor's gown, but it is customary in many large institutions to dispense with the hood.

Originally, the hood was used as a cowl, cape, and — when hung from the shoulder — a sack to collect alms. It is said that when large wigs were in fashion, the cap section of the hood then fell back clear of the wig. This hood style continues to today, with the narrow end of the hood shaped as a neckband connecting the two halves of the cape.

Like the gown, the hood differs for the various degrees. The doctoral's hood is the longest and is a fuller shape than the master's hood and is usually bordered with velvet, the color of which indicates the kind of degree. The hood is lined with silk in the colors of the institution that granted the degree. The edging of the hood is velvet or velveteen, three inches wide for the master's hood and five inches wide for the doctoral's hood. The traditional rule is that a candidate for a degree should not wear the hood of that degree until it is actually conferred.

The assignment of colors to signify certain degrees was a later development and was standardized in the United States in the late 19th century.

In 1932 the American Council on Education (ACE) reviewed and approved the code of academic dress. In 1959 and 1986, the ACE reviewed the costume code and made several changes.

These colors are associated with the different academic disciplines. Fort Hays State University's hoods and tassels are the university colors: black and gold.

## SYMBOLS

### UNIVERSITY SEAL

---

The circular seal was originally adopted in 1934. The artist who designed it was Marjorie Meade Jacobs.

The college was established on the old Fort Hays military reservation. The building depicted in the seal is the old stone block house, which was a part of the fort. In typical fashion for the building, the seal features a flag pole and hills in the background.

The university seal is exclusively reserved for official documents such as diplomas, transcripts, certificates and ceremonial recognition gifts.

### PRESIDENT'S MEDALLION

---

In 1969, Dr. John W. Gustad approached Mr. John Thorns, art faculty member, concerning FHSU's lack of symbols connected with the formality of office, such as a medallion or mace. To rectify this, Gustad commissioned the Department of Art and Design to create three items for his presidential inauguration: a mace, a relief statue and a presidential medallion.

The mace, created by Mr. Dale Ficken, is typically used for ceremonial purposes. More information on the mace can be found in previous sections of the program. Mr. Jim Hinkhouse designed the relief sculpture, second of the three symbols, which was placed at the back of the room during Gustad's inauguration. This sculpture has since been destroyed.

The presidential medallion was fashioned by Mr. Olli Valanne. Made of silver, this piece of jewelry features a unique design. According to Thorns, the medallion was created "in recognition of the individual who is president." It is to be used in conjunction with all academic affairs and is worn any time the president of the university wears the academic regalia. In 2014 Todd Voth, FHSU graduate, created a special chain from which the medallion hangs. The chain is adorned by nameplates engraved with the names of former presidents of the university.

The medallion has been passed down to each consecutive president after Gustad and will continue to represent the leadership and FHSU in the future.

## UNIVERSITY MASCOT

No one knows for certain how the Tiger came to be FHSU's mascot, but it may have been the brainchild of W.A. Lewis, the president of the Western Branch Normal School (FHSU).

What is certain is that the FHSU symbol made his debut in 1914, when tiger head insignias were first sewn onto school jerseys. In that same year, Ralph Archer, a sports reporter for the *Leader*, first referred to FHSU students as "Tigers."

The image rapidly gained popularity on campus. In 1919, the yearbook published the first drawing of the mascot. He wore a soldier's cap, and one of his paws rested on a German war helmet to symbolize the defeat of the Kaiser in World War I.

However, that image changed in 1924 and the tiger took on a more powerful pose. It was used to introduce the sports pages, and the athletic department used it as a symbol of aggressiveness.

The Tiger retained his fierce look through the 1930s, perhaps as a symbol of the tough economic conditions of the Depression. And in the 1937 yearbook, the Tiger served as a background for the top four football players of the year. However, the mascot did regain his fighting image in the early 1950s when car decals featured him in a uniform from Custer's Seventh Cavalry.

In 1963, the best known version of the mascot appeared — a tiger carrying the school banner. This cat was used to add personality to school shirts, steins and stationery. He could also be seen on road signs just outside Hays and Manhattan pointing the way to his home campus.

The Tiger returned to his more serious nature in 1978, when he was featured in a circular logo designed by Jackquie Harris Meitler, Palco art student. The Tiger was drawn as though he were a photographic negative; that is, his black stripes were white, and vice versa.

In 1999, a new Tiger graphic was designed by Mary Ridgway, University Relations Creative Director, and it was tested with students, faculty, staff, alumni and friends of the university. A few tweaks were made. President Hammond unveiled the first original mascot in the university's long history in a public ceremony April 3, 2000.

A few months later, based on suggestions from students, the new mascot was given his name, Victor E. Tiger.

Alumnus Larry Dreiling, who played the role of the FHSU Tiger mascot as a student, purchased the first Victor E. Tiger mascot suit for the university.

## ABOUT OUR STUDENTS

### ON-CAMPUS STUDENTS

---

Fort Hays State University's campus reflects a student population drawn from many backgrounds and experiences, including both traditional and nontraditional learners. Among the approximately 3,500 on-campus students are individuals from Kansas, the region, and around the world, all contributing to a vibrant learning environment.

### FIRST-GENERATION COLLEGE STUDENTS

---

Fort Hays State University prides itself on first-generation college students. An individual can claim first-generation student status if neither one of their parents, guardians or siblings possess a four-year degree.

### FHSU ONLINE STUDENTS

---

Fort Hays State has been dedicated to distance education since 1911 when Kansas teachers in one-room schools began the first free correspondence courses. In 1997, the FHSU Virtual College brought distance education online, and after more than two decades of innovation and experience, the Virtual College became FHSU Online in 2020.

Now with 200 fully online programs, FHSU Online is an award-winning leader of online education. The students of FHSU Online share much with those one-room teachers of yesteryear: work experience, previous education, an ambition to advance, and a desire to give back to their communities. By providing these students with an exceptional and affordable education, FHSU Online continues the university's long legacy.

### MILITARY/VETERAN STUDENTS

---

FHSU provides educational opportunities to students from every branch of the armed forces including the United States Army, United States Navy, United States Marine Corps, United States Coast Guard, United States Air Force, the National Guard, and various Reserve units.

These students may attend courses either online or on campus as veterans or current military members. The flexible programs and delivery options allow our service members, veterans, and their families to pursue their education no matter where they are stationed or what their current mission might be.

### INTERNATIONAL STUDENTS

---

Fort Hays State University welcomes international students each year from various countries. International students bring a cultural richness to our campus and community as well as adding a global perspective to our classrooms. FHSU is a leader in providing education for international students both on campus and online.

### INTERNATIONAL PARTNERSHIPS

---

FHSU serves nearly 4,000 students on campus, online and at our partner universities in mainland China, Cambodia, and Africa. In Fall 2000, FHSU began offering in-person courses to Chinese students at Zhengzhou Sias University in Xinzheng, Henan, China. In Fall 2003, FHSU expanded to Shenyang Normal University in Shenyang, Liaoning, China. FHSU has graduated over 17,000 Chinese students with similar graduation ceremonies conducted each Spring in China. FHSU's global footprint extends to several international partners whereby FHSU offers classes online and on-site at partner locations, as well as participating in robust scholar and student exchange via Study Abroad and our Visiting Scholar programs.

Congratulations, Class of 2026, from your FHSU Foundation – the fundraising arm of Fort Hays State!

We, along with thousands of FHSU donors who generously support scholarships and university needs, are proud of your accomplishments.

Throughout these next several years, please consider thanking an individual who supported you during your time at Fort Hays State University by paying it forward to a future Tiger.

We wish you the best!

---

We would like to thank all who have helped make this commencement ceremony a success. Your time and dedication ensures that our ceremony is a memorable event for the graduates.

---

A special thank you to our Event Marshals.  
Your leadership and professionalism are critical to the success of our ceremonies.

**James Balthazor, C.D. Clark, Shane Schartz, & Kevin Splichal**

---

Every effort has been made to include all FHSU graduates in today's program. However, if a graduate has selected the privacy setting on their record in Workday, the university takes this selection seriously.

# A SONG FOR FORT HAYS

## DR. DONALD STOUT

STANDING TALL ON THE WESTERN PLAIN,  
BORN OF THE SUN, AND WIND, AND RAIN,  
WESTERN KANSAS GIVES YOU PRAISE,  
ALMA MATER, FORT HAYS!

FROM THE PAST OUR FUTURE WE DESIGN,  
LET THE LIGHT OF OUR KNOWLEDGE SHINE!  
OUR SONG OF PRAISE WE BRING TO YOU;  
ALMA MATER, ALMA MATER, FORT HAYS.

# ALMA MATER

## JACK JUERGENS

ON THE PLAINS OF WESTERN KANSAS  
STANDS A SCHOOL WE ALL LOVE WELL.  
'T WAS BUILT BY THE TOIL OF OUR FATHERS;  
TO ITS GLORY OUR VOICES SWELL.

CHORUS:

HAIL TO OLD FORT HAYS STATE!  
LET YOUR VOICES RING.  
PRAISE FOR THE BLACK AND GOLD  
WE WILL EVER SING.  
LONG MAY OUR VALOR LAST  
THROUGH THE FUTURE DAYS,  
HON'RING AND PRAISING  
DEAR FORT HAYS.

IN THE YEARS THAT LIE BEFORE US  
WE FORESEE OUR LAND'S MANY NEEDS.  
THROUGH THE EFFORTS OF NEW GENERATIONS,  
WE'LL GO ON TO MORE NOBLE DEEDS.

Stay connected!
