

2019 KAMS/IAMS Student Survey

Start of Block: Default Question Block

QIntro Hello KAMS/IAMS Student,

You are being asked to answer some questions as part of an evaluation of the KAMS/IAMS. The purpose of this survey is to gather information to help identify areas of strength and areas needing improvement.

If you feel uncomfortable answering the questions, you can always stop for a few minutes or quit altogether. The survey usually takes only about 7 minutes to complete.

Please do not identify yourself or any of your classmates. This survey is intended to be completely confidential.

Your parent or guardian has said it is OK for you to complete the survey, but you do not have to participate unless you want to. This is entirely up to you. Your decision to participate (or not) will not result in any impact on your status in any class or in the Academy itself. You can change your mind and stop participating at any time. You can talk with your parent(s) before making a decision if that is more comfortable for you.

Please mark one of the choices below to tell us what you would like to do (and then click Continue >>):
