3:42 (1 minute) All members were present with the exception of Glenn, McRay, Miller, Smith and Stanley. Schmidt served as proxy for Miller. Determined that a quorum was met.

3:43 (1 minute) The minutes from December 9 were approved.

3:44 (2 minutes) The committee considered a revised proposal for **LDRS 460: Global Leadership** to satisfy the **2.1F outcomes (social scientific mode of inquiry)**. We **approved** the course **contingent** on two changes being made: (1) Outcome 2.1F.3 needs to be restored to the syllabus and rubric -- it appears to have been accidentally deleted in the revision. This will involve listing the outcome along with 2.1F.1 and 2.1F.2, identifying the assignment for 2.1F.3 on the syllabus, and returning the 2.1F.3 line to the CORE rubric. (2) The CORE rubric needs to be a stand-alone document, not making reference to the student-facing rubrics; instead, the relevant parts from the student-facing rubrics should be imported into the CORE rubric, and edited, if necessary, for clarity.

3:46 Meeting ended in conviviality, relaxation, reminiscence, and hope. Our next meeting will be in January.
