

FORT HAYS STATE UNIVERSITY
 DEPARTMENT OF GEOSCIENCES

Forward thinking. World ready.

Use this form if you are interested in becoming a permanent member of Gamma Theta Upsilon, the International Geography Honor Society, and a member at Fort Hays State University.

Membership Requirements: Initiates for regular membership must have completed a minimum of three geography courses, have a 3.3 GPA in those courses, and shall have completed at least 3 semesters college course work. You may apply for membership at any time.

Note: Please provide a permanent mailing address and non-FHSU email address if available; the national GTU office wants contact information that will be valid for several years.

Name: _____ Date: _____
