

Academic Year 2022-2023 Waiver Form – Fort Hays State University

Kansas Board of Regents policy states “Each state university shall require any international student holding a F-1 visa and any exchange visitor holding a J-1 visa to show proof of health insurance coverage for each semester or term for which the student is enrolled, whether or not the student is participating in the Board’s voluntary student health insurance program. Such proof of insurance shall be required prior to the student beginning classes.”

All international students are *automatically* enrolled in the KBOR Student Health Insurance Plan. New waiver requests must be submitted EVERY fall or, if other coverage is for less than academic year, a new waiver request must be submitted for each semester or summer for which the student is enrolled.**
