PRE-PAID PLAN

- Flexible (It's a monthly service)
- You only get service if you refill or renew
- No penalty for canceling or switching networks
- Many Prepaid carriers offer Auto-refill where they take a payment by debit/credit via autopay
- You have a continuous uninterrupted cell service (unless the payment is declined of course)
- No payment extensions (if you can't pay one month you will not have service that month)

CONTRACT PLAN

- 24 months (2 year minimum commitment)
- Penalty for early termination applies.
- You can't leave unless you pay an early termination fee (which can be up to \$500 depending on how far along you are in your contract)
- Carrier expects payment on the same day each month it can be paid by debit, credit, check, or cash
- Extensions can apply (cellphone service won't be disrupted but late fee and additional charges will apply)
- Non-payment will result in the disruption of service
