Dear Student,

On behalf of the Kansas Academy of Mathematics and Science (KAMS) staff, I want to express our appreciation for your interest in our program. You will find that we offer a challenging curriculum in a very unique learning environment. The experience and knowledge gained from going through our program clearly differentiates KAMS students from traditional high school graduates. Our students are the future leaders of Kansas and will play a critical role in the long-term economic prosperity of the state.

Currently, we are able to offer the KAMS experience to 40 students per class. The admissions process is selective and holistic. Grades and standardized test scores are certainly important in the admissions decision process, but we also consider the maturity of the applicant and their willingness to put forth the time and effort needed to be successful.

If you have questions about the program or the application process, please feel free to contact us at (785) 628-4690 or at kams@fhsu.edu. Please visit our website (www.fhsu.edu/kams) regularly for the most current information.

Again, thank you for your interest and I hope to see you on campus soon!

Roger W. Schieferecke, Ed.D.
Director, Kansas Academy of Mathematics and Science
General Information

Academic Preparedness:
- The more students can prepare ahead of time, the better
- Take ACT/SAT in the fall of sophomore year (or earlier), minimum ACT of 23 or SAT of 1150 is required
- PLAN is not accepted
- Completion of Algebra II and Geometry (required)
- Completion of Pre-Calculus (recommended, not required)
- Completion of Chemistry and Physics (recommended, not required)
- Completion of all Physical Education and Foreign Language during Freshman and Sophomore years
- Compare schools graduation requirements to KAMS curriculum to ensure student meets high school graduation requirements
- May need to seek other opportunities (online, correspondence, community college) to complete any missing coursework

Timeline

<table>

</table>

Once all application materials have been received the committee will review the application and will notify the student of a decision.

Selection Criteria:
Selection based on the following:
- Minimum of 23 on ACT or a 1150 on SAT
- Application Materials
- Grade Point Average (GPA)
- Grades in core level classes (math and science)
- Class Rank
- Teacher Evaluations

Instructions:

Please print or type the student’s name at the top of each page of the application and any additional pages submitted with the application. Retain a photocopy for your records.

Short Answers & Personal Essays
These sections are to be completed by the student working alone and must not be written or edited by other persons. The student will verify meeting this requirement by signing and dating the Certification of Accuracy page.

Extracurricular Activities, Awards & Honors, and Courses
Completed by student or parent/guardian. Additional pages may be attached if necessary

Parent or Guardian Statement
To be completed by the parent/guardian. The parent/guardian will verify meeting this requirement by signing and dating the Certification of Accuracy page.

Certification of Accuracy Page
Must be signed and dated by the student AND a parent/guardian. This page must have original signatures when submitted to KAMS.

Teacher/Mentor Evaluations
Part A of the evaluations require a parent/guardian and applicant to furnish information prior to submitting a copy of that page along with the corresponding Part B to each teacher/mentor

After the teacher/mentor completes the evaluation, he/she must mail all original pages to KAMS.

Include evaluations from the following:
1 Science Teacher
1 Mathematics Teacher
1 English Teacher
1 School Counselor
1 Mentor

Section 2

Please follow the instructions listed below for each item in Section 2. The applicant’s name must be typed or printed on the top of each additional page.

Short Answer Questions:
Answer the following questions in 50-100 words on a separate sheet of paper, using the following formatting: typed, double-spaced, font size no smaller than 10pt, top and bottom margins no less than 1 inch, and side margins no less than 1.25 inches. The applicant’s name must be typed or printed on the top of each page. The answers must be your own work and must not be written or edited by others. You will verify this by signing the Certification of Accuracy page.

1. If you are selected for KAMS, you will be asked to live, study, and work in a residential community away from home. Summarize your feeling about living in this environment and leaving home.
2. Describe one way in which you have demonstrated leadership.
3. Describe a stressful situation in your life, how you coped with it, and what you learned from the situation.

Extracurricular Activities:
On a separate sheet of paper, list organized and individual extracurricular activities (i.e. music, chess club, newspaper, scouting, or other school, community and religious activities) and those related to mathematics, science and technology for grades 9 through 10. List organization memberships, offices held and grade of participation. Also, include out-of-school activities such as Talent Search programs, 4-H, or computer workshops. Please follow the formatting described above for the Short Answer Questions.

Awards and Honors:
On a separate sheet of paper, list individual or team honors, both in and out of school that you have received in the last two years, such as academic musical and athletic honors. Indicate grade (9-10) and whether it was at the local, state, or national level. KAMS reserves the right to verify awards received. Do not send copies of the awards at this time. Please follow the formatting described above for the Short Answer Questions.

Courses:
On a separate sheet of paper, list all honors, accelerated, dual enrollment or college courses you have taken or have in progress in grades 9-10. If your classes are not honors or accelerated, please include an explanation (examples: not offered, limited enrollment, schedule conflict or personal choice). If you have earned college credit, please furnish an official transcript from the institution. Please follow the formatting described above for the Short Answer Questions.

Circumstantial Information (optional):
In addition to identifying students with exemplary academic records, KAMS will take into consideration underperforming high ability students. Applicants may use this section to justify being considered for admission. KAMS attempts to identify those applicants whose previous school grades or admission test scores may underpredict future academic success. The factors we consider in making admissions decisions are based on individual circumstances, such as:

1. Had a health problem which significantly affected, for a period of time, an otherwise exceptionally good academic record;
2. Had completed an exceptionally rigorous academic program;
3. Does not speak English at home; or
4. Had other exceptional circumstances.

This information is considered with the applicant’s credentials. Responding on a separate sheet of paper, describe any factors that you believe the Admissions Committee should consider as they review your application. Please follow the formatting described above for the Short Answer Questions.

Personal Essay Question:
Answer the following essay question in 300-350 words on a separate sheet of paper using the following formatting: typed, double-spaced, font size no smaller than 10pt, top and bottom margins no less than 1 inch, and side margins no less than 1.25 inches. The applicant’s name must be typed or printed on the top of each page. These essays must be the student’s own work and must not be written or edited by others. You will verify this by signing the Certification of Accuracy page.

Essay:
Explain how KAMS will help you reach your long-term goals, how you will benefit from KAMS, and how KAMS would benefit from your admittance.
Parent/Guardian Statement:
To be completed by the parent/guardian only. Answer the following questions in 150-250 words on a separate sheet of paper using the following formatting: typed, double-spaced, font size no smaller than 10pt, top and bottom margins no less than 1 inch, and side margins no less than 1.25 inches. The applicant’s name must be typed or printed on the top of each page. You will verify that you wrote this statement by signing the Certification of Accuracy.

Please explain how you believe the Kansas Academy of Mathematics and Science can enhance your child’s education. Also, please explain how your child will enhance the Kansas Academy of Mathematics and Science.
Applicant’s Name

We certify that the above information given herein is true and accurate. We understand that giving false information will make this applicant ineligible for admission to KAMS or subject to cancellation of registration if admission has occurred.

We verify the answers provided to the short answer and personal essay questions are the applicant’s own work and have not been written or edited by others. Additionally, we verify that the parent/guardian statement has been composed by the applicant’s parent/guardian.

We understand that the applicant must meet all entry requirements, including ACT or SAT minimums, completion of Algebra II and Geometry prior to beginning the first semester at KAMS, and that resident aliens must demonstrate lawful alien residency (present Green Card or proof of United States citizenship) at time of application.

Further, we understand that admission decisions are based on multiple criteria including subjective judgments regarding academic and leadership potential, maturity and motivation, along with grades and test scores.

If the applicant is accepted for admissions to KAMS, we agree to adhere to the rules and regulations now in existence and those that may be established by the school in the future. We understand that, if admitted, this student will be assigned to specific courses or sections.

Attention School Official (Counselor, Principal, or Administrator)
The Kansas Academy of Mathematics and Science (KAMS) is a residential program for high school aged students who are academically talented in science, mathematics, and technology. Students in this two year program will live together in their own residence hall on the Fort Hays State University campus and complete a rigorous program of college coursework. The primary goals of KAMS are: 1) prepare advanced students for continued success in college and university science, mathematics, and technology programs; and 2) develop students with high level of excellence, engagement and ethical actions so they contribute to their local and global communities in ethical and meaningful ways. Upon completion, students will receive a high school diploma from their sending school as well as a completion certificate from KAMS. Please do not return this form to the student, please mail/fax all sections of this evaluation with your original signature to:

Kansas Academy of Mathematics and Science
