Dear Student,

On behalf of the Early College Programs staff, I want to express our appreciation for your interest in the Kansas Academy of Mathematics and Science (KAMS) at Fort Hays State University. You will find that we offer a challenging curriculum in a very unique learning environment. The experience and knowledge gained from completing our program clearly differentiates KAMS students from traditional high school graduates. Our students are the future leaders of Kansas and will play a critical role in the long-term economic prosperity of the state.

Currently, we are able to offer the KAMS experience to **40 students per class**. The admission process is selective and holistic. Grades and standardized test scores are certainly important in the admissions decision process, but we also consider the maturity of the applicant and their willingness to put forth the time and effort needed to be successful. We are looking for the best & brightest.

If you have questions about the program or the application process, please feel free to contact us at (785) 628-4690 or at kams@fhsu.edu. Please visit our website (www.fhsu.edu/kams) regularly for the most current information.

Again, thank you for your interest and we look forward to working with you on your journey to becoming a part of one of the most prestigious early college programs in the nation.

Sincerely,

[Signature]

Mr. Will Burns  
Director, Early College Programs (KAMS/AMS) at Fort Hays State University

Section 2

Please follow the instructions listed below for each item in Section 2. The applicant’s name must be typed or printed on the top of each additional page.

Short Answer Questions:
Answer the following questions in 50-100 words each on a separate sheet of paper, using the following formatting: typed, double-spaced, font size no smaller than 10pt, top and bottom margins no less than 1 inch, and side margins no less than 1.25 inches. The applicant’s name must be typed or printed on the top of each page. The answers must be your own work and must not be written or edited by others. You will verify this by signing the Certification of Accuracy page.

1. If you are selected for KAMS, you will be asked to live, study, and work in a residential community away from home. Summarize your feeling about living in this environment and leaving home.
2. Describe one way in which you have demonstrated leadership.
3. Describe a stressful situation in your life, how you coped with it, and what you learned from the situation.

Extracurricular Activities:
On a separate sheet of paper, list organized and individual extracurricular activities (i.e. music, chess club, newspaper, scouting, or other school, community and religious activities) and those related to mathematics, science and technology for grades 9 through 10. List organization memberships, offices held and grade of participation. Also, include out-of-school activities such as Talent Search programs, 4-H, or computer workshops. Please follow the formatting described above for the Short Answer Questions.

Awards and Honors:
On a separate sheet of paper, list individual or team honors, both in and out of school that you have received in the last two years, such as academic musical and athletic honors. Indicate grade (9-10) and whether it was at the local, state, or national level. KAMS reserves the right to verify awards received. Do not send copies of the awards at this time. Please follow the formatting described above for the Short Answer Questions.

Courses:
On a separate sheet of paper, list all honors, accelerated, dual enrollment, or college courses you have taken or have in progress in grades 9-10. If your classes are not honors or accelerated, please include an explanation (examples: not offered, limited enrollment, schedule conflict or personal choice). If you have earned college credit, please furnish an official transcript from the institution. Please follow the formatting described above for the Short Answer Questions.

Circumstantial Information (optional):
In addition to identifying students with exemplary academic records, KAMS will take into consideration underperforming high ability students. Applicants may use this section to justify being considered for admission. KAMS attempts to identify those applicants whose previous school grades or admission test scores may underpredict future academic success. The factors we consider in making admissions decisions are based on individual circumstances, such as:

1. Had a health problem which significantly affected, for a period of time, an otherwise exceptionally good academic record;
2. Had completed an exceptionally rigorous academic program;
3. Does not speak English at home; or
4. Had other exceptional circumstances.

This information is considered with the applicant’s credentials. Responding on a separate sheet of paper, describe any factors that you believe the Admission Committee should consider as they review your application. Please follow the formatting described above for the Short Answer Questions.

Personal Essay Question:
Answer the following essay question in 300-350 words on a separate sheet of paper using the following formatting: typed, double-spaced, font size no smaller than 10pt, top and bottom margins no less than 1 inch, and side margins no less than 1.25 inches. The applicant’s name must be typed or printed on the top of each page. These essays must be the student’s own work and must not be written or edited by others. You will verify this by signing the Certification of Accuracy page.

Explain how KAMS will help you reach your long-term goals, how you will benefit from KAMS, and how KAMS would benefit from your admittance.
Parent/Guardian Statement:
To be completed by the parent/guardian only. Answer the following questions in 150-250 words total on a separate sheet of paper using the following formatting: typed, double-spaced, font size no smaller than 10pt, top and bottom margins no less than 1 inch, and side margins no less than 1.25 inches. The applicant’s name must be typed or printed on the top of each page. You will verify that you wrote this statement by signing the Certification of Accuracy.

Please explain how you believe the Kansas Academy of Mathematics and Science can enhance your student’s education. Also, please explain how your student will enhance the Kansas Academy of Mathematics and Science.
Financial Requirements

The following information will help you plan for the financial requirements of KAMS. Students attending KAMS from a Kansas public high school have their tuition and university fees covered by the state of Kansas. However, all students/families are responsible for paying housing and meal plan charges, application, enrollment, and housing contract fees, and any incidental purchases each year the student is in the program.

Students attending KAMS from a Kansas private school or students who are residents of other U.S. states or countries are required to pay for all program costs. Please visit www.fhsu.edu for the most up-to-date tuition and fee numbers.

Payments are due on August 15, September 15, October 15, January 15, February 15, & March 15 each year. All bills are issued directly to the student through the TigerTracks portal. No paper bills are sent.

The estimated yearly charges outlined below are for the current academic year. Costs are subject to change each year. KAMS offers a limited amount of scholarship opportunities for students. Please visit www.fhsu.edu/KAMS for additional scholarship information.

Attention School Official (Counselor, Principal, or Administrator):
The Kansas Academy of Mathematics and Science (KAMS) is a residential program for high school aged students who are academically talented in science, mathematics, and technology. Students in this two year program will live together in their own residence hall on the Fort Hays State University campus and complete a rigorous program of college coursework. The primary goals of KAMS are: 1) to prepare advanced students for continued success in college and university science, mathematics, and technology programs; and 2) to develop students with high level of excellence, engagement and ethical actions so they contribute to their local and global communities in ethical and meaningful ways. Upon completion, students will receive a high school diploma from their sending school as well as a completion certificate from KAMS. Please do not return this form to the student or parent/guardian. Please mail, email, or fax this document with your original signature to:
