

**FORT HAYS STATE UNIVERSITY**  
**Grade 10**

Entry Form for GRADE TEN

SCHOOL/CITY: \_\_\_\_\_ Faculty Sponsor(s): \_\_\_\_\_

**PLEASE TYPE OR PRINT LEGIBLY**, preferably typed. **KEEP A COPY FOR YOUR RECORDS AND STUDENTS' USE. SEND IN ORIGINAL FORMS.** List students entering each event. Following the name, circle/cross (T) to indicate a TEAM entry or (I) for INDIVIDUAL, under the appropriate event numbers. Please place an (\*) by names of students who are participating in more than one grade level (duplicate names).

| Student Name |       | Event Number (See Corresponding Title Below) |          |          |          |          |          |
|--------------|-------|----------------------------------------------|----------|----------|----------|----------|----------|
|              |       | <u>1</u>                                     | <u>2</u> | <u>3</u> | <u>4</u> | <u>5</u> | <u>6</u> |
| 1.           | _____ | I                                            | T        | I        | T        | I        | T        |
| 2.           | _____ | I                                            | T        | I        | T        | I        | T        |
| 3.           | _____ | I                                            | T        | I        | T        | I        | T        |
| 4.           | _____ | I                                            | T        | I        | T        | I        | T        |
| 5.           | _____ | I                                            | T        | I        | T        | I        | T        |
| 6.           | _____ | I                                            | T        | I        | T        | I        | T        |
| 7.           | _____ | I                                            | T        | I        | T        | I        | T        |
| 8.           | _____ | I                                            | T        | I        | T        | I        | T        |
| 9.           | _____ | I                                            | T        | I        | T        | I        | T        |
| 10.          | _____ | I                                            | T        | I        | T        | I        | T        |
| 11.          | _____ | I                                            | T        | I        | T        | I        | T        |
| 12.          | _____ | I                                            | T        | I        | T        | I        | T        |
| 13.          | _____ | I                                            | T        | I        | T        | I        | T        |
| 14.          | _____ | I                                            | T        | I        | T        | I        | T        |
| 15.          | _____ | I                                            | T        | I        | T        | I        | T        |
| 16.          | _____ | I                                            | T        | I        | T        | I        | T        |
| 17.          | _____ | I                                            | T        | I        | T        | I        | T        |
| 18.          | _____ | I                                            | T        | I        | T        | I        | T        |
| 19.          | _____ | I                                            | T        | I        | T        | I        | T        |
| 20.          | _____ | I                                            | T        | I        | T        | I        | T        |

1. Using number sense (9:30 a.m.)
2. Trigonometry (10:00 a.m.)
3. Algebraic manipulations (10:30 a.m.)

4. Informal geometry, measurement (11:00 a.m.)
5. Applications of algebra, arithmetic (11:30 a.m.)
6. Calculations with calculators (12:00 p.m.)
