Class Conflicts:

Occasionally, university classes will conflict with band rehearsals. As long as the conflict is not excessive, accommodations to arrive late or leave early are usually possible. Contact the director by email if this applies to you and sign up on the **Class Conflict Form**, provided to you at band camp. *Work schedules, applied lessons, and non-university related activities should not conflict with band rehearsals.*

Scholarships:

Scholarship amounts are:

1st Year: \$650

2nd Year: \$700

3rd Year: \$800

4-6th Year: \$900

To receive the scholarship, band members must enroll in a minimum of *six* credit hours during the fall semester including MUS601 and meet all attendance and conduct requirements.

Scholarships are processed after the last post-season game and are usually available in your account by late December or early January. Scholarship bonuses are awarded at the discretion of the director for students completing extra duties (volleyband, pep-band, etc.). Scholarships will not be awarded to students past the 6th year of participation without approval from the Director.

Miller Award:

Non-music major instrumentalists in good academic standing are also eligible for an additional scholarship (amount TBD) through the Miller Award. This money is awarded automatically following the 20th day of classes. To qualify, students must be enrolled in a minimum of *six* credit hours during the fall semester with at least a 2.0 GPA. Music Majors, Colorguard, and KAMS students are not eligible for the Miller Award.
