LinkedIn Sharing

Prior to sharing, you must connect your LinkedIn account through the Credly platform to streamline sharing.

The image shows the LinkedIn login interface. At the top is the LinkedIn logo. Below it, the text "Welcome Back" is displayed, followed by the message "Don't miss your next opportunity. Sign in to stay updated on your professional world." There are two input fields: "Email or Phone" with the text "katiesieversdemo@credly.com" and "Password" with masked characters. A "Show" link is next to the password field. Below the fields are "Cancel" and "Sign in" buttons. At the bottom, there are links for "Forgot password?" and "New to LinkedIn? Join now".

The image shows the LinkedIn connection screen. At the top is the LinkedIn logo. Below it is a profile picture of a woman and the Credly logo. The text "Credly would like to:" is followed by a list of permissions: "Use your name and photo" and "Create, modify, and delete posts, comments, and reactions on your behalf". Below the list is a link to "LinkedIn settings" and a link to "Credly terms". There is a "Not you?" link. At the bottom are "Cancel" and "Allow" buttons. Below the buttons is a message: "You will be redirected to https://www.credly.com". At the very bottom are links for "Privacy Policy" and "User Agreement".

IMPORTANT: The LinkedIn language sometimes concerned earners. We do not create, modify or delete posts. This is standard LinkedIn language which we cannot control. However, it is necessary to allow in order to expedite sharing.

LinkedIn Sharing Options

There are two LinkedIn sharing options: LinkedIn Newsfeed and LinkedIn Profile (Licenses & Certifications section).

LinkedIn

☒

 Add to Profile

☒

 Share to Feed

Optional Message
View my verified achievement from Lincoln Technologies.

Share to LinkedIn

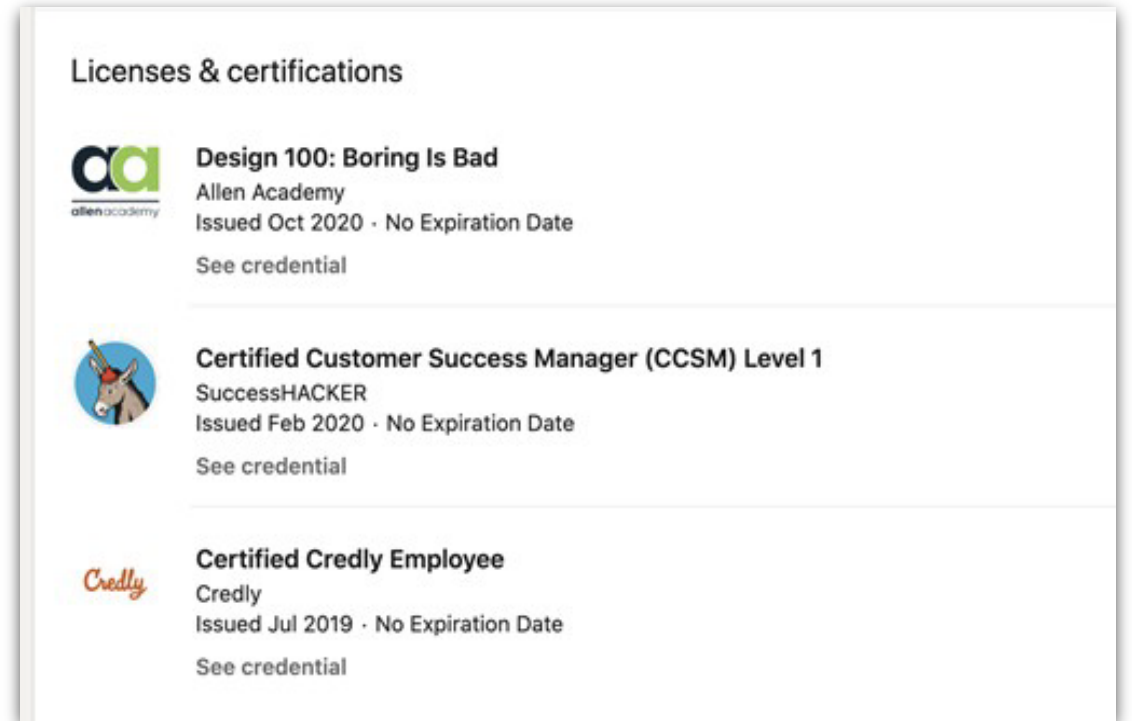

LinkedIn Sharing: Newsfeed

- You can share your achievement with your entire network.
- The badge visual will appear when the badge is shared on the newsfeed.

LinkedIn Sharing: Profile

- You can make your achievement a permanent, verifiable part of your LinkedIn profile.
- The badge will appear in the Licenses and Certifications section of your profile.
- The issuing organization (FHSU) logo will appear instead of the badge visual.
- When shared from Credly, clicking “See credential” in LinkedIn brings a view to the Credly platform for verification.

X (Twitter) Sharing

- You can connect your X account to easily share your badge with your followers.
- Issuers will suggest tags and additional messages to include in the tweet.

Twitter

Share

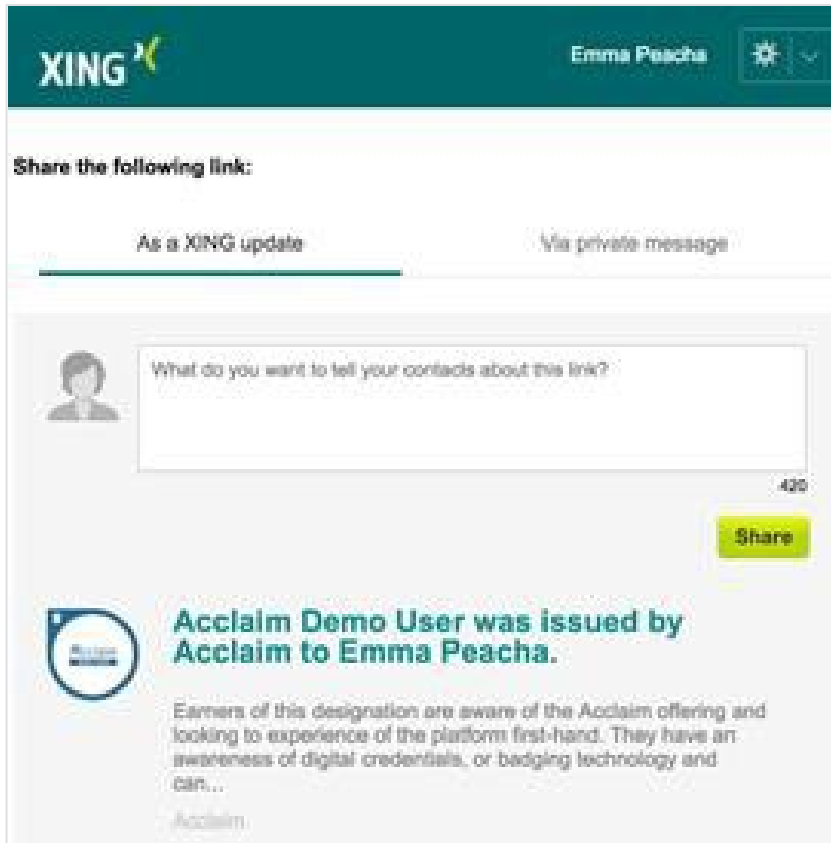

Facebook Sharing

- You can connect your Facebook account to easily share your achievements with your Facebook friends and followers.

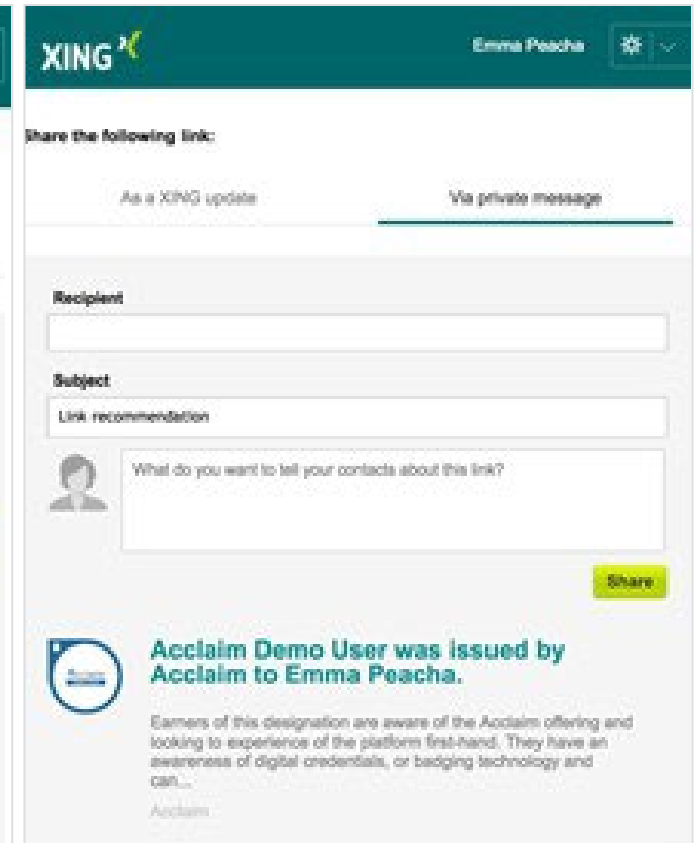

XING Sharing

- You can connect your XING account to share your badge in an XING update or private message.

The image shows the XING sharing interface for a user named Emma Peacha. At the top, the XING logo and the user's name are visible. Below the header, there is a section titled "Share the following link:" with two options: "As a XING update" (selected) and "Via private message". A text box with a placeholder "What do you want to tell your contacts about this link?" is present, along with a "Share" button. Below this, there is a badge for "Acclaim Demo User was issued by Acclaim to Emma Peacha." with a description: "Earners of this designation are aware of the Acclaim offering and looking to experience of the platform first-hand. They have an awareness of digital credentials, or badging technology and can..." and the Acclaim logo.

Send

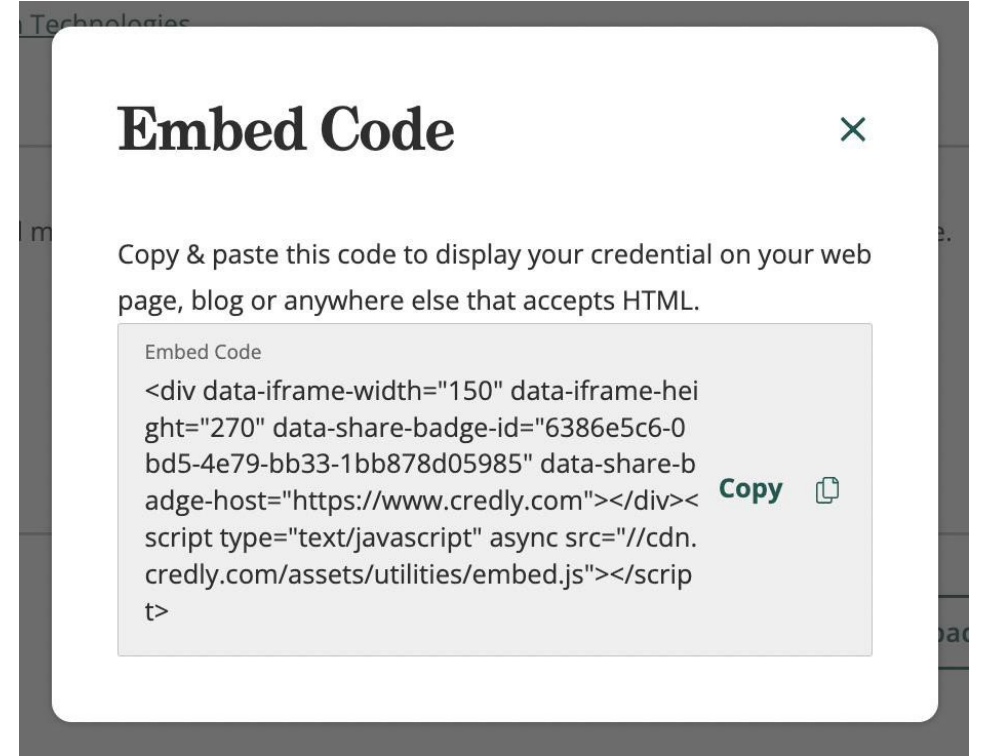

Copying the Badge URL

- You can copy and paste your unique badge URL from the Credly platform and send it directly to someone.
- Use it to hyperlink badge visuals used in email signatures.
- Include the URL on a digital resume for one-click verification.

Embedding a Badge

- You can embed your badge on a personal website or blog by copying the unique embed code.

A screenshot of a web interface showing a dialog box titled "Embed Code" with a close button (X) in the top right corner. The dialog contains instructions to copy and paste the code to display a credential on a website. Below the instructions is a text area containing the embed code, and a "Copy" button with a clipboard icon is positioned to the right of the code.

Embed Code ×

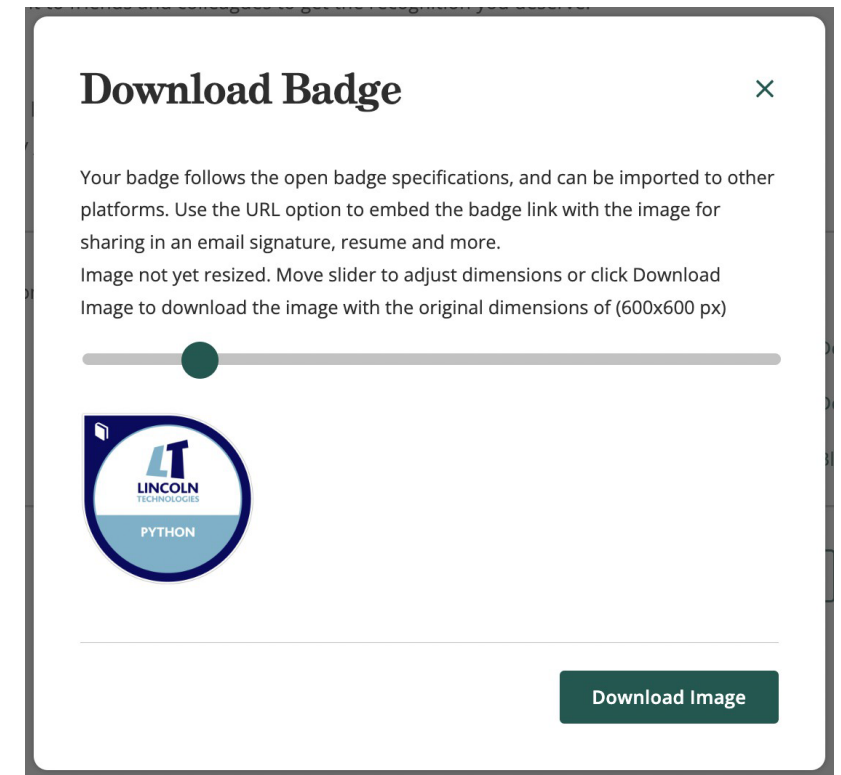

Copy & paste this code to display your credential on your web page, blog or anywhere else that accepts HTML.

```
Embed Code
<div data-iframe-width="150" data-iframe-height="270" data-share-badge-id="6386e5c6-0bd5-4e79-bb33-1bb878d05985" data-share-badge-host="https://www.credly.com"></div><script type="text/javascript" async src="//cdn.credly.com/assets/utilities/embed.js"></script>
```

Copy 

Downloading a Badge Visual

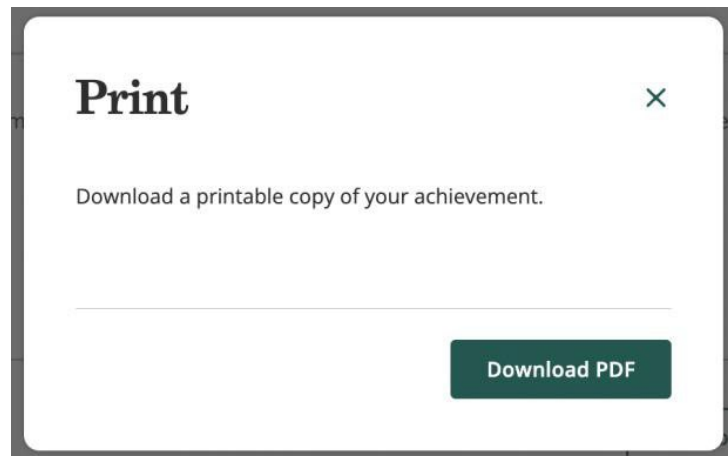

- You can add the badge visual to resumes, documents, or email signatures.
- You can download the badge image, then copy the badge URL to create a hyperlink for the image.

Download Badge Certificate

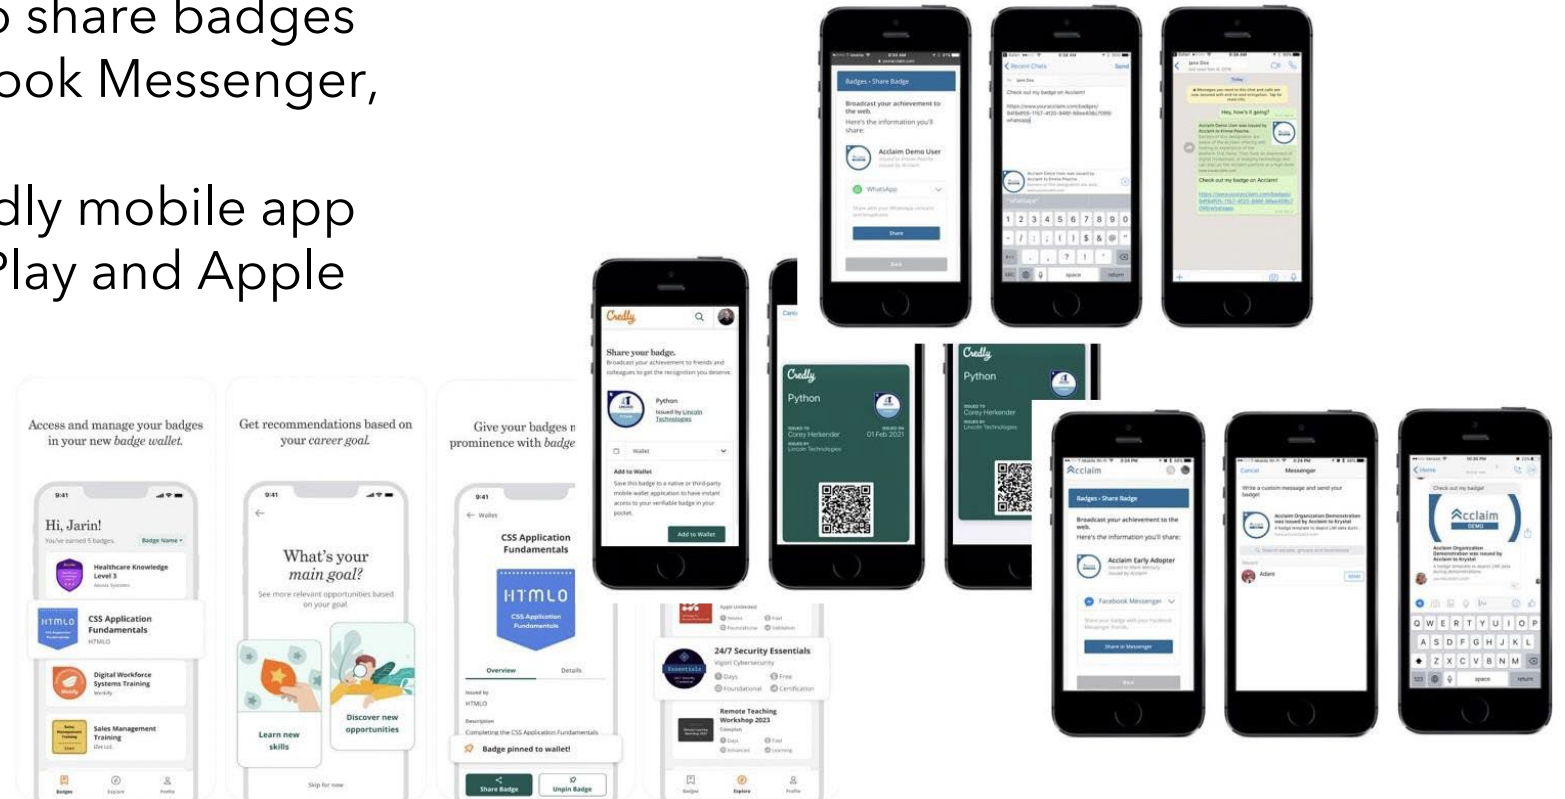

- Download your badge as a certificate*.

**Not all badges are eligible for certificate download.*

Mobile Sharing

- Mobile users can choose to share badges through WhatsApp, Facebook Messenger, and their Mobile Wallet.
- Additionally, there is a Credly mobile app available on both Google Play and Apple App stores.
