

A WEEKLY ROUNDUP OF GOOD NEWS ABOUT THE TIGER FAMILY

# FORT HAYS STATE UNIVERSITY tigerweekly

FROM THE OFFICE OF UNIVERSITY RELATIONS AND MARKETING

March 11, 2022

## Top Story

### [FHSU RECOGNIZED AGAIN AS MILITARY FRIENDLY SCHOOL](#)

03/08/22

Fort Hays State University has been recognized for its investment in programs that improve the education experience of its military-connected student community, earning the 2022-23 Military Friendly School designation from militaryfriendly.com. FHSU earned "Silver" recognition in this year's survey, a significant advancement over last year's survey placement on the 2021-22 list of 747 Military Friendly Schools.

## Feature

### [FHSU'S HOBSON: 'MY ASSISTANTS ARE SECOND TO NONE'](#)

03/11/22

During a three-week stretch in the first semester, the Fort Hays State University women's basketball team was ranked No. 1 in the nation among all NCAA Division II schools. Tiger Head Coach Tony Hobson will tell you that his assistant coaches are the best in the country every week.

## Accomplishments and Happenings

### [A STANDERDS-BASED APPROACH TO TEACHING ELEMENTARY MATHEMATICS](#)

03/08/22

Dr. Janet Stramel, professor of teacher education recently published a book on mathematics methods designed to help elementary teachers and teacher candidates develop an understanding of the current standards for their discipline.

### **NEED-RESOURCE INDICATORS AND DENSITY OF NONPROFIT HUMAN SERVICES ORGANIZATIONS**

03/09/22

Published in the Annals of Public and Cooperative Economics, Dr. Kunal Sevak, assistant professor in the Department of Management, discusses some of the little-known effects of the challenges facing the US nonprofit human services organizations (NHSOs) in securing philanthropic resources and the resulting pressure for increased commercialization.

### **HARVARD PROFESSOR TO SPEAK AT FORT HAYS STATE**

03/11/22

The Werth College of Science, Technology and Mathematics at Fort Hays State University will host an internationally known author and speaker next month. Dr. Naomi Oreskes, a professor of the history of science at Harvard University, will give a presentation on her book "Why Trust Science?" at 7 p.m. Thursday, April 7, at the Robbins Center. She will be available to sign books after the presentation, which is free and open to the public.
